Petition to Reading Borough Council:

We the undersigned residents and organisations within the Borough of Reading would formally request that Reading Borough Council implement the following parking control measures:

- Marked parking bays along the Southcote Lane, between Southcote Farm Lane and Circuit Lane.

- A new traffic order prohibiting traffic from entering Silchester Road between 07:30-08:45 and 14:15-15:30 Monday through Friday with an exemption for residents of Silchester Road & Faircross Road who register their vehicles and school staff who register their vehicle via Southcote Primary School.

- Explore the expansion of a Parking Permit Scheme with local residents and Councillors to protect Fawley Road, Aldworth Close, Southcote Farm Lane, and Shepley Drive.
