26. EXCLUSION OF THE PRESS AND PUBLIC

Resolved -

That pursuant to Section 100A of the Local Government Act 1972 (as amended) members of the press and public be excluded during consideration of the following item, as it was likely that there would be disclosure of exempt information as defined in paragraph 1 of Part 1 of Schedule 12A (as amended) to that Act.

27. EARLY RETIREMENTS AND REDUNDANCIES

The Head of HR and Organisational Development, the Monitoring Officer and the Head of Finance submitted a joint report, which set out eight requests for the dismissal of employment on the grounds of redundancy.

The proposals, together with the financial implications, were set out in a schedule appended to the report on the following basis:

- The financial case was given which represented the highest cost to the Council. In most cases this included discretionary added years on pension (where payable), as this represented a direct and ongoing cost to the Council. This was in accordance with the Council's current practice of considering redundancy and retirement terms up to the maximum limit of discretion, where applicable. The Committee was asked to approve individual proposals subject to a maximum ceiling on the exercise of discretion;
- The financial implications were costed on the basis of the estimated figures, which were subject to final confirmation. The figures might be affected by changes to final salary, pensionable service, age or date of leaving. The Committee was asked to approve the proposals on the basis of the estimated figures, subject to any individual proposal being brought back to Committee if the confirmed costs were more than 10% in excess of those reported;

The report sought approval for the payment of a compensation package in the case of the proposed terminations of employment on grounds of redundancy and efficiency, subject to the conclusion of all outstanding matters, including ongoing consultation with the employee and their representatives, and efforts to secure alternative employment, where appropriate.
