Introduction

1. Section 88P of the School Standards and Framework Act 1998 requires Local Authorities to make an annual report to the adjudicator.

2. The School Admissions Code (the Code) at paragraph 6 sets out the requirements for reports by local authorities. Paragraph 3.23 specifies what must be included as a minimum in the report to the adjudicator and makes provision for the local authority to include any other local issues.

3. There are other matters concerning admissions, some suggested by local authorities themselves, about which it would be useful to have a view. Rather than undertake a separate exercise in which information is sought from local authorities, you are asked to include any relevant information in your report to the adjudicator.

Completing the Template

This template is designed to be completed electronically - boxes will expand as necessary. Please note that we will contact you if any data boxes have not been completed. However if there are any blank comment boxes we will presume that you have no comments to make.

Throughout this report, please include middle deemed primary schools as for pupils up to age 11 and middle deemed secondary schools as for pupils over 11. For schools that have children of primary and secondary age and are not designated as a middle school please record them as all-through schools.

Where a type of school is given, foundation covers foundation schools and foundation schools with a foundation (trust schools). Academy schools should be recorded by the individual type of academy school, namely, academy, free school, UTC or studio school.

1. Local Authority school numbers

Please give the total number of schools by type within your local authority as at 30 June 2016.

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	22	0	0
Voluntary Controlled	0	0	0
Voluntary Aided	7	1	0
Foundation	0	1	0
Academy	8	5	0
Free School	2	2	0
UTC	N/A	1	0

Studio School	N/A	0	0

2.   Admission Arrangements for Admissions in September 2016

The Code at paragraph 3.23 requires that each local authority provides "*information about how admission arrangements in the area of the local authority serve the interests of looked after children and previously looked after children, children with disabilities and children with special educational needs, including any details of where problems have arisen*".

Please include details of:

1.   Any ways in which each of the following groups of children have been especially well served; and

2.   Any difficulties that have arisen for each group of children while allocating places for admission in September 2016.

(a)   How well are the interests of **looked after children** served?

Tick as appropriate: Fully ☒   In part ☐   Not satisfactorily ☐

Comments:

(b)   How well are the interests of **previously looked after children** served?

Tick as appropriate: Fully ☒   In part ☐   Not satisfactorily ☐

Comments:

(c)   How well are the interests of **children with disabilities** served?

Tick as appropriate: Fully ☒   In part ☐   Not satisfactorily ☐

Comments:

(d)   How well served are **children who have special educational needs and who have a statement of special needs** that names a school (or an education health and care plan?

Tick as appropriate: Fully ☒   In part ☐   Not satisfactorily ☐

Comments:

(e)   How well served are those **children who have special needs, but do**

not have a statement?

Tick as appropriate: Fully ☒   In part ☐   Not satisfactorily ☐

Comments:

3.   Co-ordination of admissions

A)   During the normal admissions round

Please assess the effectiveness of co-ordination of primary and secondary admissions for September 2016 in your local authority, highlighting any particular strengths in the process or any problems that have arisen.

Primary

    (a) How well has the operation of national offer day worked for primary admissions this year compared with previous years?

        Tick as appropriate: Better ☐   The same ☒ Less well ☐

Comments:

Secondary

    (b) How well has the operation of national offer day worked for secondary admissions this year compared with previous years?

        Tick as appropriate: Better ☒   The same ☒ Less well ☐

Comments: This works well as we have many students going across to other boroughs. We have two grammar schools and a national offer day assists with the allocation process greatly. Allocations went better than last year as last year The Wren Free School was operating outside of co-ordination as their funding agreement was not in place so this resulted in dissatisfaction from schools who's allocated students then went to The Wren as some students from any waiting list did not want to move at that stage resulting in vacant places. Places at The Wren were not confirmed until June.

    (c) If you have any UTCs or studio schools in your area, do you co-ordinate admissions for entry at the relevant year group for entry to these schools?

        Tick as appropriate: Yes ☒   No ☐   N/A ☐

If **YES**, please comment on how well the admissions process is working for these schools: The process is difficult to administer as the October 31st deadline is early and parents often do not apply until well after the closing

date as they are not thinking of Y10 placs at that point. Other Local Authorities deal with these as in year applications and advise that parents apply directly to Reading or send In year data files which causes some confusion.
The school are not part of co-ordination next year and are taking applications directly.

If **NO**, do you have any evidence about how well the admission process is working for individual UTCs or studio schools?

Tick as appropriate: Yes ☐   No ☐

If **YES**, please comment:

B)   In-year admissions

The Code sets out that in-year admissions do <u>not</u> have to be co-ordinated by the local authority.

(a) How many **pupils** have needed a school place because they do not have one or because parents have applied for a place as an in-year admission for any other reason between 1 September 2015 and 15 June 2016?

Number of pupils up to age 11	Number of pupils over age 11	Number of post-16 students
956	268	NA - they apply directly

(b) Does your local authority co-ordinate in-year admissions for all, some or none of the schools in your area?

Tick as appropriate: All ☐   Some ☒   None ☐

If 'Some', please complete the table below as appropriate

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	22	0	0
Voluntary Controlled	0	0	0
Voluntary Aided	5	1	0
Foundation	0	0	0
Academy	5	6	0
Free School	1	2	0
UTC	N/A	0-	0
Studio School	N/A	0	0

(c) Do you have any information about how many schools parents might

approach before obtaining a place? Please comment on any issues that have come to your attention.

> Comments:

(d) How confident are you that the requirements of the Code at paragraph 2.22, for schools to keep the local authority informed in a timely manner about applications and the outcomes, are being met? (If you co-ordinate all admissions for all schools then please tick not applicable.)

Tick as appropriate:

Very confident ☐   Confident ☒   Not confident ☐ Not applicable ☐

(e) Across your local authority, how well have in-year admissions worked this year?

Tick as appropriate: Better than last year ☒   The same as last year ☐
Less well than last year ☐

(f) Please comment on the effectiveness overall of in-year admission arrangements across all types of schools in your local authority.

> Comments: We co-ordinate all admissions for secondary schools and most for primary schools. This works well, however, as the pressure on places grows and pupils applying as new to the area grows it is important for schools to tell us when students apply and cannot be offered a place to ensure effective systems for monitoring students missing from education. This concern will increase as more schools switch to academy status.

4.   Fair Access Protocol

The Code at paragraph 3.9 requires each local authority to have agreed a Fair Access Protocol with the majority of schools in its area. Paragraph 3.11 of the Code requires that all admission authorities must participate in the Fair Access Protocol.

(a) Please confirm that your local authority has a Fair Access Protocol that has been agreed with the majority of schools in your area.

Tick as appropriate: Yes ☒   No ☐

> If **NO**, please explain:

(b) Although a majority of schools, and perhaps all, will have agreed the Fair Access Protocol, some may not have done so. Please state how many schools have not agreed your Fair Access Protocol.

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	0	0	0
Voluntary Controlled	0	0	0
Voluntary Aided	0	0	0
Foundation	0	0	0
Academy	0	0	0
Free School	0	0	0
UTC	N/A	0	0
Studio School	N/A	0	0

(c) Where schools did not agree the Fair Access Protocol, please say why they did not agree.

Comments:

(d) (i) Please give your assessment of how well your Fair Access Protocol has worked in the academic year 2015/16 in placing children without a school place in schools in a timely manner.

Tick as appropriate: Very well ☐ Mostly well ☒ Some difficulties ☐

(ii) What is your general assessment of the working of the protocol compared with last year?

Tick as appropriate: More effective ☐ As effective ☒ Less effective ☐

(iii) How frequently has the protocol been used to place a child compared with last year?

Tick as appropriate: More frequently ☐ Same frequency ☒ Less frequently ☐

(e) Have you any examples of particularly effective collaboration and working with individual schools, for example, placing children in year 6 of a primary school or years 10 and 11 of a secondary school?

Tick as appropriate: Yes ☐ No ☒

Comments:

(f) Have you had specific problems in allocating a place through the protocol, for example, where a school has been reluctant to accept a child?

Tick as appropriate: Yes ☒ No ☐

Comments: Acquiring places for students after January/February for Y11 pupils remains particularly difficult when parents are not willing to accept places in Y10 as an alternative.

(g) How many children have been admitted under the protocol to each <u>type</u> of school in your area? How many children have been refused admission to a school?

Type of School	Number of children admitted			Number of children refused admission		
	Schools for pupils up to age 11	Schools for pupils over age 11	All-through schools	Schools for pupils up to age 11	Schools for pupils over age 11	All-through schools
Community	3	0	0	0	0	0

Free School	0	0	0	0	0	0
UTC	N/A	0	0	N/A	0	0
Studio School	N/A	0	0	N/A	0	0

(h) If children have not been placed successfully in a school through the protocol, have you used the direction process to provide a place for a child?

Tick as appropriate: Yes ☐ No ☐ N/A ☒

(i) If **YES**, how many children have been placed and in which type of school as a result of a direction, including a direction via the EFA on behalf of the Secretary of State or after a referral to the Adjudicator?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community	NA	NA	NA
Voluntary Controlled	NA	NA	NA
Voluntary Aided	NA	NA	NA
Foundation	NA	NA	NA
Academy	NA	NA	NA

(j) Please add any other relevant information you wish to include in sections g - i concerning Fair Access Protocols.

Comments:

5.   <u>Admission Appeals</u>

The Code requires data to be collected about appeals. In order to meet this requirement the DfE will use the latest published Statistical First Release: admission appeals for maintained and academy primary and secondary schools in England.

Taking into account comments reported in 2014, and data gathered for the first time in 2015, in response to the invitation *to "add any comments about the appeals process in your area"*, it would be helpful to gather views once again across all local authorities on the extent to which schools that are their own admission authority continue to use local authority services for admission appeals.

(a) Do any own admission authority schools use any of your services as part of the appeals process?

Tick as appropriate: Yes ☒   No ☐

(b) If yes, please indicate the number of schools that use at least some of your services

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Voluntary Aided	5	1	
Foundation	NA	0	
Academy	5	3	
Free School	1	1	
UTC	N/A	0	
Studio School	N/A	0	

(c) Please indicate the services that are used :

Type of School	Schools for pupils up to age 11(Y/N)	Schools for pupils over age 11 (Y/N)	All- through schools (Y/N)
Full appeals process	11	5	
Legal advice	11	5	
Assistance in the preparation and presentation of case documentation	3	3	

(d) Please add any other service related to appeals obtained from your local authority

Comment:

(e) Please add comments about any aspects of the appeals process in your area that work well or that cause difficulties, as appropriate.

Comment: The vast majority of academies, free schools and voluntary aided schools use the Council's education appeal service for admissions, which means that there is a high degree of consistency across the Borough in the way in which appeals are dealt with. However, on occasions academies and free schools attract appeals but do not buy in to the Council's service. Parents and carers understandably contact the Council to lodge an appeal but without the school's buy-in the Council has to refer the appellant to the school so they can explain what arrangements the school has in place for dealing with their appeal. The outcome of any such conversations that take place is unknown to the local authority.

6.   **Other Issues**

A.   **Objections to admission arrangements**

Paragraph 3.2 in the Code says *"local authorities **must** refer an objection to the Schools Adjudicator if they are of the view or suspect that the admission arrangements that have been determined by other admission authorities are unlawful"*.

(a) How many sets of admission arrangements of schools were queried directly by your local authority with schools that are their own admission authority because they were considered not to comply with the Code?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Voluntary Aided	0	0	
Foundation	0	0	
Academy	0	0	
Free School	0	0	
UTC	N/A	0	
Studio School	N/A	0	

(b) How confident are you that own admission authority admission arrangements are now fully compliant with the Code?

Tick as appropriate: Very confident ☐ Confident ☒ Not confident ☐

(c) How many schools did not send you a copy of their full admission arrangements, including any supplementary information form (or any such form by another name, for example, religious inquiry form) if one

is used, by 15 March, as required by paragraph 1.47 of the Code?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Voluntary Aided	0	0	0
Foundation	0	0	0
Academy	0	0	0
Free School	0	0	0
UTC	N/A	0	0
Studio School	N/A	0	0

B. **Fraudulent applications**

(a) Is there any concern in your local authority about fraudulent applications?

Tick as appropriate: Yes ☒ No ☐

(b) Did your local authority make any offers on national offer days that were subsequently withdrawn as a result of a fraudulent application?

Tick as appropriate: Yes ☐ No ☒

(c) If **YES**, how many for each type of school?

Type of School	Number of Schools for pupils up to age 11	Number of Schools for pupils over age 11	Number of all-through schools
Community			
Voluntary Controlled			
Voluntary Aided			
Foundation			
Academy			
Free School			
UTC	N/A		
Studio School	N/A		

(d) What action is your LA taking to prevent fraudulent applications?

Comment: 100% council tax checks were completed on consistantly oversubscribed schools or schools for which there was particularly high demand. The admissions team asked for more information when appropropriate. If an applicants address changes from the address used on application (for example as the nursery holds a different address or the family moves) then these are checked. If we are not satisfied that a child lives at an address then the application is withdrawn prior to offer day.
In order for parents to accept the place offered for their child they must enter a 6 digit number which is present on the letter sent to the home address.

C.   Summer-born children, deferred entry and part-time attendance

The DfE issued revised guidance in December 2014 "Advice on the admission on summer-born children" for local authorities, school admission authorities and parents (Link to Guidance). The Code at paragraph 2.16 deals with deferred entry and/or part-time attendance for children in the year they reach compulsory school age. Paragraph 2.17, 2.17A and 2.17B refer to the admission of children outside their normal age group.

(a) Do you keep data for any schools on the number of requests from parents who ask that their child is admitted to a class outside their normal age group?

Tick as appropriate: Yes ☒   No ☐

(i) For community and voluntary controlled schools: Yes ☒ No ☐

(ii) For own admission authority schools: Yes ☒ No ☐

If **YES in answer to (a) above**, please complete the tables:

Type of School	In 2015, how many requests for deferred admission to year R in 2016 were agreed for a child who will have reached the normal age for Year 1?
Community & Voluntary Controlled	3
Own Admission Authority	0

Type of School	How many requests to defer admission to year R in 2016 were received?	How many of those requests were subsequently agreed?
Community & Voluntary Controlled	5	3
Own Admission Authority	2	0

(b) What reasons, if known, were given for seeking to defer the admission to year R of children for a full school year?

Comments: Premature birth and delayed development of child. All three students allowed were known to SEN team.

(c) Do you have any other comments on the matter of admission of summer-born children, including requests to delay admissions made after the allocation of places in the normal admissions round?

Comments: The changes to the timings for agreeing admission offset makes it easier to administer, however it is still difficult to convey to parents the fact that each admissions authority must agree to the decision for the application to be considered for that school. Parents stuggle to understand why one admissions authority would agree a request and another may not.

(d) Do you have any comments about paragraph 2.16c) in the Code concerning the offer and/or take-up of part-time attendance by children below compulsory school age?

Comments:

D. Pupil, service and early years premium

The 2014 Code permits all schools to give priority for admission in 2016 to children eligible for the pupil, service or early years premium (paragraphs 1.39A and 1.39B). If admission authorities wish to introduce such a priority they must have consulted as required by the Code in paragraphs 1.42-1.45.

(a) Pupil and service premium

In respect of community and voluntary controlled schools:

Type of School	Has the LA considered giving priority to pupil/service premium? (Y/N)	If YES, have you consulted on this? (Y/N)	In response to consultation has the priority been implemented? (Y/N)
Community Primary	Y	Y	Y
Voluntary Controlled Primary	NA	NA	NA
Community Secondary	NA	NA	NA
Voluntary Controlled Secondary	NA	NA	NA

Comments: The two Grammar Schools and all Community primary schools have this as a tie braker and one secondary free school has this as an admissions category.

In respect of own admission authority schools:

Type of School	Has the LA been consulted by any own admission authority of the type shown below on giving priority to pupil/service premium? (Y/N)	If YES in response to consultation, for how many schools has the priority been implemented? (Please give the number)
