Working better with you

30 October 2017

Our commitment:
Working together to make
our communities safer

Building on our successes, we will continue to work together to make our communities safer.

We will foster the culture, values and skills needed to deliver an effective and efficient police service which meets the needs of the public we serve.

We will **transform** and **innovate** to meet policing needs **now** and in the **future**.

An emergency service that keeps people safe and brings offenders to justice

We Have

- Op. Royale (organised drug supply)
- Targeted burglaries
- Reduced aggressive begging
- Reduced unauthorised encampments
- Modern Slavery awareness/education

We Will

- Focus on greatest vulnerability.
- Provide a proportionate response to community needs.
- Ensure broad legitimate support for our commitments.

Working together to build stronger, more resilient communities

We have

- Purple Flag award for NTE
- Project Evert – rising partnerships
- World Café programme

We will

- One Reading focus of the Evert Project
- Engage with community, e.g. Mini Police.
- Invest in technology and online community

A modern police force which meets the needs of our communities

We Have

- New Website
- Thames Valley Alert App
- Cyber Crime Investigation
- Protect Your World

We Will

- Citizens Portal
- Digital Transformation
- Demand Management
- Contact Management

A skilled and trusted workforce

We Have

- Community Engagement & Problem Solving
- Stop and Search App
- Apprenticeships

We Will

- Targeted Engagement / Recruitment
- Improved our Response to Hate Crime and Vulnerability
- Children & Young Persons Strategy

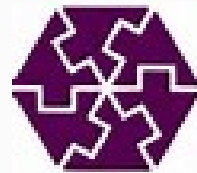

Priorities for 2017/18 - Operational

- Cut crimes of most concern
 - Burglaries, Violence, Rural Crime, Serious and Organised Crime
- Protect Vulnerable People
 - Repeat victimisation of domestic abuse, response to hate crime, CSE, FGM, HBA, FM
- Bring offenders to justice
 - Quality of files
- Reduce repeat demand
