The report stated that the Reading Borough Council Licensing Team had submitted the review of the Premises Licence due to a combination of immigration offences, criminal activity and multiple breaches of licence conditions discovered during visits to the premises. The report detailed visits to and observations of the premises on 25 and 26 May 2018, 19 and 20 May 2018, 13 and 14 April 2018, 7 and 8 March 2018, 10 and 11 February 2018, 7 November 2017, 14 September 2017, 2 April 2017, 19 March 2017, 12 and 13 April 2014, 5 and 6 April 2014 and 10 and 11 July 2010. Immigration Enforcement had stated that a total of 9 immigration offenders had been encountered over the ten visits made to the premises since 2010.

The application sought for the Premises Licence to be revoked as the only appropriate and proportionate step to promote the licensing objectives and safeguard the public.

A copy of the review application was attached to the report at Appendix I.

The report stated that representations had been received from Thames Valley Police and the Immigration Service, which were attached to the report at Appendix II and III. LICENSING APPLICATIONS SUB-COMMITTEE 2 MINUTES - 2 AUGUST 2018

The report stated that in determining the application the Licensing Authority had a duty to carry out its functions with a view to promoting the four licensing objectives, as follows:

- The prevention of crime and disorder
- public safety
- The prevention of public nuisance
- The protection of children from harm

The report stated further that in determining the application the Licensing Authority must also have regard to the representations received, the Licensing Authority's statement of licensing policy and any relevant section of the statutory guidance to licensing authorities. Further, in determining the application the Licensing Authority could take such of the following steps as it considered appropriate and proportionate for the promotion of the licensing objectives:

- Take no further action
- To issue formal warnings to the premises supervisor and/or premises licence holder
- Modify the conditions of the licence (including, but not limited to hours of operation of licensable activities)
- Exclude a licensable activity from the scope of the licence
- Remove the designated premises licence supervisor
- Suspend the licence for a period not exceeding three months
- Revoke the licence

(Where the Sub-Committee took a step mentioned in the third and fourth bullet points above it may provide that the modification or exclusion was to have effect for a period not exceeding three months or permanently.)

The report set out paragraphs 1.5, 1.7, 1.8, 9.12, 9.13, 9.25, 9.31, 9.38, 9.42, 9.43, 11.1, 11.2, 11.6, 11.16 to 11.18 and 11.24 to 11.28 of the Amended Guidance issued under Section 182 of the Licensing Act 2003 (April 2017). The report also set out paragraphs 1.5, 7.15.1, 10.5.1, 15.1.1 and 15.3.1 of the Council's Statement of Licensing Policy and paragraph 10.7.1 was read out during the hearing.

Mr Aadil Asghar, one of the Premises Licence Holders, was present at the meeting and was represented by Mr Bill Donne, Silver Fox Licensing Consultants, both of whom addressed the Sub-Committee.

Richard French, Reading Borough Council Licensing Team, was present at the meeting and addressed the Sub-Committee on the application. PC Simon Wheeler, Thames Valley Police, and Russell Angell, Immigration Service, were both present at the meeting and addressed the Sub-Committee.

At the start of the hearing Mr Donne raised concerns regarding the number of Councillors on the Sub-Committee and when asked if he would like to request an adjournment Mr Donne confirmed that he wanted to proceed with the hearing.

Resolved -

The Sub-Committee considered the oral and written representations made and found that:

LICENSING APPLICATIONS SUB-COMMITTEE 2 MINUTES - 2 AUGUST 2018

- (a) There had been a history of employing illegal workers at the premises;
- (b) The premises had persistently operated licensable activities beyond the hours permitted by the premises licence;
- (c) There had been numerous other breaches of the conditions of the licence including:
 - 1. failures to display the required notices and copies of the licence
 - 2. failure to keep training records
 - 3. failure to keep an accurate door supervisor register, which was likely to have been deliberately falsified
 - 4. failure to make CCTV footage available to officers, which was particularly serious as it indicated a deliberate failure to co-operate with authorities

The Sub-Committee was satisfied these matters were serious and in most cases were potentially criminal offences. These matters caused real concern for the promotion of the licensing objectives, particularly the prevention of crime and disorder.

The Sub-Committee considered the Council's Statement of Licensing Policy concerning the review of premises licences and late night refreshment premises, particularly paragraph 11.7.1 that required late night refreshment licence holders to demonstrate that crime and disorder would not result from their late opening. The Sub-Committee also considered the government guidance on determining licence reviews, particularly that relating to reviews arising in connection with crime. The Sub-Committee noted that the employment of illegal workers should be treated particularly serious to the extent that revocation of a licence should be considered.

The Sub-Committee listened to the licence holder's account but did not find it a satisfactory explanation of the numerous failures detailed in the report, including the lack of control of staff and the premises generally.

The Sub-Committee considered what was appropriate to decide this review. The Sub-Committee did not feel that a warning would resolve the problems, nor did the Sub-Committee have confidence that modifying conditions or removing the Designated Premises Supervisor would address the failings. A licence suspension would only postpone issues and not resolve them, as the history of the premises gave no confidence that improvement would happen or last. The Sub-Committee found that the only appropriate outcome which would promote the licensing objectives was to revoke the premises licence, therefore the Sub-Committee revoked the premises licence in respect of Perfect Fried Chicken, 51 Wokingham Road.

(The meeting started at 9.26am and finished at 11.49am)

9. Licensing Objectives and Reading Borough Council's Licensing Policy Statement

In considering representations received the Licensing Authority has a duty to carry out its functions with a view to promoting the four licensing objectives, which are as follows:

- the prevention of crime and disorder;
- public safety
- the prevention of public nuisance
- the protection of children from harm

Any conditions that are placed on a premises licence should be appropriate

and proportionate with a view to promoting the licensing objectives. The Licensing Authority can amend, alter or refuse an application should it be deemed appropriate for the promotion of the licensing objectives.

The Council's licensing policy also places an onus on applicant's who wish to open past 11pm to demonstrate how they will mitigate the issues of crime and disorder and potential public nuisance.

Amended Guidance issued under Section 182 of the Licensing Act 2003 (April 2017)

Licensing Objectives and Aims:

1.5 (However) the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work.

They include:

protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises;

Steps to promote the licensing objectives

8.41 In completing an operating schedule, applicants are expected to have regard to the statement of licensing policy for their area. They must also be aware of the expectations of the licensing authority and the responsible authorities as to the steps that are appropriate for the promotion of the licensing objectives, and to demonstrate knowledge of their local area when describing the steps they propose to take to promote the licensing objectives. Licensing authorities and responsible authorities are expected to publish information about what is meant by the promotion of the licensing objectives and to ensure that applicants can readily access advice about these matters. However, applicants are also expected to undertake their own enquiries about the area in which the premises are situated to inform the content of the application.

8.42 Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;
- any risk posed to the local area by the applicants' proposed licensable activities; and
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.

8.43 Applicants are expected to include positive proposals in their application on how they will manage any potential risks. Where specific policies apply in the area (for example, a cumulative impact policy), applicants are also expected to demonstrate an understanding of how the policy impacts on their application; any measures they will take to mitigate the impact; and why they consider the application should be an exception to the policy.

8.44 It is expected that enquiries about the locality will assist applicants when determining the steps that are appropriate for the promotion of the licensing objectives. For example, premises with close proximity to residential premises should consider what effect this will have on their smoking, noise management and dispersal policies to ensure the promotion of the public nuisance objective. Applicants must consider all factors which may be relevant to the promotion of the licensing objectives, and where there are no known concerns, acknowledge this in their application.

8.45 The majority of information which applicants will require should be available in the licensing policy statement in the area. Other publicly available sources which may be of use to applicants include:

- the Crime Mapping website;
- Neighbourhood Statistics websites;
- websites or publications by local responsible authorities;
- websites or publications by local voluntary schemes and initiatives; and
- on-line mapping tools.

8.46 While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be taken into consideration when making an application. Licensing authorities may wish to encourage co-operation between applicants, responsible authorities and, where relevant, local residents and businesses before applications are submitted in order to minimise the scope for disputes to arise.

8.47 Applicants are expected to provide licensing authorities with sufficient information in this section to determine the extent to which their proposed steps are appropriate to promote the licensing objectives in the local area. Applications must not be based on providing a set of standard conditions to promote the licensing objectives and applicants are expected to make it clear why the steps they are proposing are appropriate for the premises.

8.48 All parties are expected to work together in partnership to ensure that the licensing objectives are promoted collectively. Where there are no disputes, the steps that applicants propose to take to promote the licensing objectives, as set out in the operating schedule, will very often translate directly into conditions that will be attached to premises licences with the minimum of fuss.

8.49 For some premises, it is possible that no measures will be appropriate

to promote one or more of the licensing objectives, for example, because they are adequately covered by other existing legislation. It is however important that all operating schedules should be precise and clear about the measures that are proposed to promote each of the licensing objectives.

The role of responsible authorities

9.11 Responsible authorities under the 2003 Act are automatically notified of all new applications. While all responsible authorities may make representations regarding applications for licences and club premises certificates and full variation applications, it is the responsibility of each responsible authority to determine when they have appropriate grounds to do so.

9.12 Each responsible authority will be an expert in their respective field, and in some cases it is likely that a particular responsible authority will be the licensing authority's main source of advice in relation to a particular licensing objective. For example, the police have a key role in managing the night-time economy and should have good working relationships with those operating in their local area⁵. The police should usually therefore be the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder licensing objective. However, any responsible authority under the 2003 Act may make representations with regard to any of the licensing objectives if they have evidence to support such representations. Licensing authorities must therefore consider all relevant representations from responsible authorities carefully, even where the reason for a particular responsible authority's interest or expertise in the promotion of a particular objective may not be immediately apparent. However, it remains incumbent on all responsible authorities to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.

Licensing authorities acting as responsible authorities

9.13 Licensing authorities are included in the list of responsible authorities. A similar framework exists in the Gambling Act 2005. The 2003 Act does not require responsible authorities to make representations about applications for the grant of premises licences or to take any other steps in respect of different licensing processes. It is, therefore, for the licensing authority to determine when it considers it appropriate to act in its capacity as a responsible authority; the licensing authority should make this decision in accordance with its duties under section 4 of the 2003 Act.

Proposed conditions

10.4 The conditions that are appropriate for the promotion of the licensing objectives should emerge initially from the risk assessment carried out by a prospective licence or certificate holder, which they should carry out before making their application for a premises licence or club premises certificate. This would be translated into the steps recorded in the operating schedule or club operating schedule, which must also set out the proposed hours

during which licensable activities will be conducted and any other hours during which the premises will be open to the public.

10.5 It is not acceptable for licensing authorities to simply replicate the wording from an applicant's operating schedule. A condition should be interpreted in accordance with the applicant's intention.

Public Nuisance

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.

2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.

Integrating strategies

14.63 It is recommended that statements of licensing policy should provide clear indications of how the licensing authority will secure the proper integration of its licensing policy with local crime prevention, planning, transport, tourism, equality schemes, cultural strategies and any other plans introduced for the management of town centres and the night-time economy. Many of these strategies are not directly related to the promotion of the licensing objectives, but, indirectly, impact upon them. Co-ordination and integration of such policies, strategies and initiatives are therefore important.

Licensing Act 2003

The Licensing Act 2003 under Section 18 (6) also states that any relevant representation should be considered in the context of:

(a) the likely effect of the grant of the premises licence on the promotion of the licensing objectives.

Therefore in the context of the grant of a licence, it is reasonable for the

Licensing Authority to base its decision on an application on what the likely effects of granting a licence would have on the promotion of the licensing objectives.

The Council's Statement of Licensing Policy

11.4 Licensed Premises in Residential Areas

11.4.1 In general the Authority will deal with the issue of licensing hours on the individual merits of each application. However, when issuing a licence, stricter conditions are likely to be imposed with regard to noise control in the case of premises that are situated in largely residential areas. In general, public houses located in and catering for residential areas wishing to open beyond 11pm will need to demonstrate clearly that public nuisance will not result from later operation.

<u>Officer comments</u>							
<p>In order to promote the four licensing objectives, I object to this application due to the potential undermining of the licensing objectives - notably the prevention of crime and disorder and public safety. I believe that the operating schedule contained within the application does not include enough suitable measures to promote the licensing objectives to operate a 24 hour Off-licence. I refer to Section 18 (6) of the Licensing Act in regard to the likely effect the granting of a licence would have on the promotion of the licensing objectives and sections 8.41 to 8.49 of the Secretary of State's Guidance which deals with the information that applicants should provide to the licensing authority in order to actively promote the licensing objectives. I believe the information included in the application does not assist in both of these regards and require the additional or more robust conditions to be attached to any premises licence that may be granted.</p> <p>Although these premises are not located within the Council's Cumulative area, I am concerned if this licence is granted without robust conditions to allow the sale of alcohol 24 hours a day to the potential impact on the promotion of the licensing objectives of a significant number of licensed premises (both on and off licences) in the Wokingham Road area, this may include the potential impact on crime and disorder or public nuisance on an area that a large concentration of licensed premises may have.</p> <p>8.1.4 Concerns do exist about the large number of licensed premises in parts of Reading, together with the impact that these premises have upon the licensing objectives. The Council recognises the concerns of residents in areas with high proportions of licensed premises and will use best endeavours and all available legislation so as to ensure these premises and the activities associated with them are properly controlled and do not result in unreasonable disturbance for residents.</p>							

Secretary of State's Guidance

8.41 In completing an operating schedule, applicants are expected to have regard to the statement of licensing policy for their area. They must also be aware of the expectations of the licensing authority and the responsible authorities as to the steps that are appropriate for the promotion of the licensing objectives, and to **demonstrate knowledge of their local area** when describing the steps they propose to take to promote the licensing objectives. Licensing authorities and responsible authorities are expected to publish information about what is meant by the promotion of the licensing objectives and to ensure that applicants can readily access advice about these matters. However, applicants are also expected to undertake their own enquiries about the area in which the premises are situated to inform the content of the application.

Reading Borough Council Licensing Policy statement states:

7. Planning

The Authority recognises that licensing applications should not be seen as a re-run of the planning application process and that there should be a clear separation of the planning and licensing regimes to avoid duplication and inefficiency. However, the Authority will normally expect applicants to demonstrate that, *their proposed use of the premises is lawful in planning terms*, including complying with any conditions that may be imposed upon a planning consent, prior to applications under this Act being submitted. Nevertheless, the Council recognises that it is permissible for applications for licences to be made before any relevant planning permission has been sought or granted by the planning authority.

7.21 Crime Prevention

Conditions attached to premises licences and club premises certificates will, so far as possible, reflect local crime prevention strategies.

Where relevant representations are received the Authority may impose conditions, for example, requiring the use of CCTV both inside and outside of licensed premises for the purpose of minimising crime disorder and disturbance. Again, applicants for licences should note that the Authority might only attach conditions to licences if such conditions are consistent with the operating schedule submitted as part of the application process, or if relevant representations are received.

11.3 Hours of Sales in Off Licences

Shops, stores and supermarkets will generally be permitted to sell alcohol for consumption off the premises during the normal hours they intend to open for shopping purposes. However, in the case of individual shops that are known to be a focus of disorder and disturbance, then subject to relevant representations being received, a limit on licensing hours may be appropriate.

11.4 Licensed Premises in Residential Areas

In general the Authority will deal with the issue of licensing hours on the individual merits of each application. However, when issuing a licence, stricter conditions are likely to be imposed with regard to noise control in the case of premises that are situated in largely residential areas. In general, public houses located in and catering for residential areas wishing to open beyond 11pm will need to demonstrate clearly that public nuisance will not result from later operation.

14. Licence Conditions

General Approach to Licence Conditions

The purpose of the licensing Act is the regulation of licensable activities on licensed premises. All conditions attached to Premises Licences and Club Premises Certificates, will be focused on matters, which are within the control of individual licensees and others in possession of relevant authorisations. Accordingly, matters will centre on the premises being used for licensable activities and the vicinity of these premises.

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour once persons are away from licensed premises, and therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation. However, licensing law will always be part of a holistic approach to the management of the evening and local economy.

Licensing conditions will relate to licensed premises and the impact of those licensable activities on the premises in the vicinity thereof. In this latter regard the Council will primarily focus on the direct impact of any activities taking place on those living, working or otherwise engaged in the area concerned business, which is a relevant representation, or conditions are consistent with the operating schedule submitted by the applicant.

The Authority will, only impose conditions on premises if it is considered necessary and proportionate to do so in order to promote the licensing objectives. The Authority does not propose to implement standard conditions on licences across the board but instead, will draw upon a pool of conditions based upon those issued by the Home office and will attach such other conditions as it considers appropriate, given the circumstances of each individual case.

The model conditions will cover issues surrounding;

- crime and disorder
- public safety
- public nuisance
- protection of children from harm

Conditions to be imposed on licences will be tailored to the individual premises and events concerned. None of the matters discussed within this policy which may result in the imposition of conditions will be applicable or suitable for all premises. The Authority will have regard to the size and type of premises when considering imposing conditions upon licences as the result of receiving relevant representations.

Applicants are asked to consider the model conditions and incorporate such of the conditions into their operating schedules as they consider appropriate and necessary in order to promote the licensing objectives. The Authority will impose the model conditions on application when those conditions are consistent with the operating schedule.

Objection

To whom it may concern

I C2107 Declan Smyth on behalf of the Chief Officer of Thames Valley Police wish to formally object to the proposed application for a Variation of a premises licence submitted in relation to BP Weldale Connect, 324 Wokingham Road, Reading, RG6 1JU as it is believed that this application in its current format will undermine the four licensing objectives with specific regard to that of the prevention of public nuisance and the prevention of crime & disorder.

The proposal before the Sub-Committee is for the Supply Of Alcohol, Monday to Sunday 00:00-24:00 and Hours Premises Open To The Public, Monday to Sunday 00:00-24:00

Prior to this application Thames Valley Police can confirm that no contact has been received from the applicant in relation to this application in order to discuss any concerns which we may have had in relation to this and to determine any information that could have been supplied relating to our advice on local issues.

Paragraph 8.46 of the Secretary of States Guidance issued under Sec 182 Licensing Act 2003 states “While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be take into consideration when making an application.”

Thames Valley Police believe that in its current format that this application including the proposed operating schedule and hours of operation regarding the sale of alcohol will undermine the four licensing objectives. The applicant has not sufficiently taken into account concerns relating to public nuisance, crime and disorder within the local area and in our opinion not therefore provided sufficient steps to promote the licensing objectives.

Thames Valley Police submit the following licence conditions for the consideration of the licensing sub-committee which we feel are appropriate in order to promote the four licensing objectives:-

CCTV

1. The Premises Licence Holder shall ensure the premises’ digitally recorded CCTV system cameras shall continually record whilst the premises are undertaking licensable activities and recordings shall be kept for a minimum of 31 days with time and date stamping. The entire licensable area shall be covered by the CCTV. Data recordings shall be made available to an authorised officer of Reading Borough Council or a Thames Valley Police officer, together with facilities for viewing upon request subject to the provisions of the Data Protection Act. Recorded images shall be of such quality as to be able to identify the recorded person.

2. Signage advising customers that CCTV is in use shall be positioned in prominent positions;

Age Verification Policy

3. The premises shall at all times operate a Challenge 25 age verification policy to prevent any customers who attempt to purchase alcohol and who appear to the staff member to be under the age of 25 years from making such a purchase without having first provided identification. Only a valid driver's licence showing the 'Pass' hologram (or any other nationally accredited scheme as set down within the mandatory conditions) are to be accepted as identification. Such training sessions are to be completed before the employee is permitted to sell alcohol, documented and refreshed every six months. Records of training shall be kept for a minimum of two years and be made available to an authorised officer of Thames Valley Police and Reading Borough Council;

Incident Register

7. An incident register/log shall be used, maintained and kept on the premises to record any incident of crime and disorder or instances when the police have had to attend the premises. The register shall be made available for inspection to authorised officers of Reading Borough Council and Thames Valley Police upon request;

Public Nuisance

8. Clearly legible and suitable notices shall be displayed at all exits requesting customers to respect the needs of local residents and to leave the premises and area quietly.

22nd June 2018

Dear Sirs

**Re BP OIL UK LIMITED APPLIED ON 04/06/2018 TO READING
BOROUGH COUNCIL IN RESPECT OF THE PREMISES KNOWN AS BP
WELDALE CONNECT, 324 WOKINGHAM ROAD, READING, RG6 1JU**

I am writing to you to object to the above application. My concern is that it is for a 24 hour licence in an essentially residential location.

In my view it has potential to contravene three of the four licencing objectives.

The prevention of crime and disorder

The selling of alcohol late in the night will encourage already drunk persons to go to the premises to buy more alcohol. Drunk persons are often rowdy and their behaviour offensive both of which are disorderly conduct and potentially criminal.

Persons already under the influence may well be encouraged to drive to the garage to make their purchases which is a criminal offence

Public safety

Already drunk persons have little regard for their safety or that of others. Wokingham Road is still busy after midnight with vehicles often travelling at excessive speed. Persons under the influence with their judgement impaired getting off late buses and heading to the premises may well walk in front of moving traffic or they may cross the pedestrian lights into oncoming traffic causing personal injury to themselves and others.

Having made their purchases I foresee that groups of drunkards not wishing to break up their "party" on a fair night will congregate to carry on drinking in close proximity to the premises on the busy main road. Such persons in groups are often rowdy and aggressive, see also below.

The prevention of public nuisance

The Raised flower bed holding the Reading Borough sign in Holmes road is already used as a meeting place and there is often rowdiness and vandalism.

Already drunk people will see this as a convenient place to assemble on a fair night to consume alcohol purchased at the premises.

With their normal judgement impaired I foresee their using the area for

1. Urination.
2. Unruly shouting etc.
3. Aggressive behaviour to persons who reasonably ask them to be quieter.

There is potential breaches of the peace and wasteful use of Police time

I hope in view of the above you will reject the application on the grounds that it is inappropriate for the location.

Yours faithfully

A solid black rectangular box used to redact the signature of Martin George.

During the 28 day consultation process for the application, representations were received from:

Reading Borough Council Licensing (attached at appendix RF-2)
Thames Valley Police (attached at appendix RF-3)

9. Licensing Objectives and Reading Borough Council's Licensing Policy Statement

In considering representations received the Licensing Authority has a duty to carry out its functions with a view to promoting the four licensing objectives, which are as follows:

- the prevention of crime and disorder;
- public safety
- the prevention of public nuisance
- the protection of children from harm

Any conditions that are placed on a premises licence should be appropriate and proportionate with a view to promoting the licensing objectives. The Licensing Authority can amend, alter or refuse an application should it be deemed appropriate for the promotion of the licensing objectives.

The Council's licensing policy also places an onus on applicant's who wish to open past 11pm to demonstrate how they will mitigate the issues of crime and disorder and potential public nuisance.

The Council's Licensing Policy Statement:

7.15 Crime & Disorder Act 1998

7.15.1 In applying this policy, the Authority will have regard to its obligations under Section 17 of the Crime and Disorder Act 1998 and will do all that it reasonably can to prevent crime and disorder in Reading. The Authority will also have regard to the Safer Reading Partnership, which incorporates both local and national strategies and whose mission statement is "We will continue to make Reading a safer place for those who live, work and visit, through a reduction in crime and disorder". In addition the Authority will liaise with the Reading Crime Reduction Partnership in order to reduce crime, misuse of drugs and the fear of crime.

Licensed premises in residential areas

11.4.1 In general the Authority will deal with the issue of licensing hours on the individual merits of each application. However, when issuing a licence, stricter conditions are likely to be imposed with regard to noise control in

the case of premises that are situated in largely residential areas. In general, public houses located in and catering for residential areas wishing to open beyond 11pm will need to demonstrate clearly that public nuisance will not result from later operation.

Amended Guidance issued under section 182 of the Licensing Act 2003
April 2018

Licensing Objectives and Aims:

1.5 However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:

- protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises

Steps to promote the licensing objectives:

8.41 In completing an operating schedule, applicants are expected to have regard to the statement of licensing policy for their area. They must also be aware of the expectations of the licensing authority and the responsible authorities as to the steps that are appropriate for the promotion of the licensing objectives, and to demonstrate knowledge of their local area when describing the steps they propose to take to promote the licensing objectives. Licensing authorities and responsible authorities are expected to publish information about what is meant by the promotion of the licensing objectives and to ensure that applicants can readily access advice about these matters. However, applicants are also expected to undertake their own enquiries about the area in which the premises are situated to inform the content of the application.

8.42 Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;
- any risk posed to the local area by the applicants' proposed licensable activities; and
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.

8.43 Applicants are expected to include positive proposals in their application on how they will manage any potential risks. Where specific policies apply in the area (for example, a cumulative impact policy), applicants are also expected to demonstrate an understanding of how the policy impacts on their application; any measures they will take to mitigate

the impact; and why they consider the application should be an exception to the policy.

8.44 It is expected that enquiries about the locality will assist applicants when determining the steps that are appropriate for the promotion of the licensing objectives. For example, premises with close proximity to residential premises should consider what effect this will have on their smoking, noise management and dispersal policies to ensure the promotion of the public nuisance objective. Applicants must consider all factors which may be relevant to the promotion of the licensing objectives, and where there are no known concerns, acknowledge this in their application.

8.45 The majority of information which applicants will require should be available in the licensing policy statement in the area. Other publicly available sources which may be of use to applicants include:

- the Crime Mapping website;
- Neighbourhood Statistics websites;
- websites or publications by local responsible authorities;
- websites or publications by local voluntary schemes and initiatives; and
- on-line mapping tools.

8.46 While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be taken into consideration when making an application. Licensing authorities may wish to encourage co-operation between applicants, responsible authorities and, where relevant, local residents and businesses before applications are submitted in order to minimise the scope for disputes to arise.

8.47 Applicants are expected to provide licensing authorities with sufficient information in this section to determine the extent to which their proposed steps are appropriate to promote the licensing objectives in the local area. Applications must not be based on providing a set of standard conditions to promote the licensing objectives and applicants are expected to make it clear why the steps they are proposing are appropriate for the premises.

8.48 All parties are expected to work together in partnership to ensure that the licensing objectives are promoted collectively. Where there are no disputes, the steps that applicants propose to take to promote the licensing objectives, as set out in the operating schedule, will very often translate directly into conditions that will be attached to premises licences with the minimum of fuss.

8.49 For some premises, it is possible that no measures will be appropriate to promote one or more of the licensing objectives, for example, because they are adequately covered by other existing legislation. It is however important that all operating schedules should be precise and clear about the measures that are proposed to promote each of the licensing objectives.

The role of responsible authorities

9.11 Responsible authorities under the 2003 Act are automatically notified of all new applications. While all responsible authorities may make representations regarding applications for licences and club premises certificates and full variation applications, it is the responsibility of each responsible authority to determine when they have appropriate grounds to do so.

9.12 Each responsible authority will be an expert in their respective field, and in some cases it is likely that a particular responsible authority will be the licensing authority's main source of advice in relation to a particular licensing objective. For example, the police have a key role in managing the night-time economy and should have good working relationships with those operating in their local area⁵. The police should usually therefore be the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder licensing objective. However, any responsible authority under the 2003 Act may make representations with regard to any of the licensing objectives if they have evidence to support such representations. Licensing authorities must therefore consider all relevant representations from responsible authorities carefully, even where the reason for a particular responsible authority's interest or expertise in the promotion of a particular objective may not be immediately apparent. However, it remains incumbent on all responsible authorities to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.

Licensing authorities acting as responsible authorities

9.13 Licensing authorities are included in the list of responsible authorities. A similar framework exists in the Gambling Act 2005. The 2003 Act does not require responsible authorities to make representations about applications for the grant of premises licences or to take any other steps in respect of different licensing processes. It is, therefore, for the licensing authority to determine when it considers it appropriate to act in its capacity as a responsible authority; the licensing authority should make this decision in accordance with its duties under section 4 of the 2003 Act.

Integrating strategies

14.63 It is recommended that statements of licensing policy should provide clear indications of how the licensing authority will secure the proper integration of its licensing policy with local crime prevention, planning, transport, tourism, equality schemes, cultural strategies and any other plans introduced for the management of town centres and the night-time economy. Many of these strategies are not directly related to the promotion of the licensing objectives, but, indirectly, impact upon them. Co-ordination and integration of such policies, strategies and initiatives are therefore important.

Planning and building control

14.64 The statement of licensing policy should indicate that planning permission, building control approval and licensing regimes will be properly

separated to avoid duplication and inefficiency. The planning and licensing regimes involve consideration of different (albeit related) matters. Licensing committees are not bound by decisions made by a planning committee, and vice versa. However, as set out in chapter 9, licensing committees and officers should consider discussions with their planning counterparts prior to determination with the aim of agreeing mutually acceptable operating hours and scheme designs.

14.65 There are circumstances when, as a condition of planning permission, a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time. Premises operating in breach of their planning permission would be liable to prosecution under planning law. Proper integration should be assured by licensing committees, where appropriate, providing regular reports to the planning committee.

Licensing Act 2003

The Licensing Act 2003 under Section 18 (6) also states that any relevant representation should be considered in the context of:

(a) the likely effect of the grant of the premises licence on the promotion of the licensing objectives.

Therefore in the context of the grant of a licence, it is reasonable for the Licensing Authority to base its decision on an application on what the likely effects of granting a licence would have on the promotion of the licensing objectives.

Case Law

East Lindsey DC v Abu Hanif (2016) case law underpins the principles widely acknowledged within the Licensing Act 2003 that the licensing objectives are prospective, and that the prevention of crime and disorder requires a prospective consideration of what is warranted in the public interest, having regard to the twin considerations of prevention and deterrence.

Similarly the case law of British Beer and Pub Association v Canterbury City Council (2005) underpins the value of the Council's licensing policy. Mr Justice Richards stated: "The council is entitled to indicate in the policy its own expectations with regard to the promotion of the licensing objectives; and I do not think that an applicant can legitimately complain if a failure to take account of those expectations gives rise to representations...An applicant who does not tailor his application to the policy therefore faces an uphill struggle."

Officer comments

The Licensing team object to the application to operate the premises known as Local Food and Wine (Previously Today's Local Stores) 441 Basingstoke Road, Reading as we believe granting a licence will undermine the promotion of the licensing objectives - notably the prevention of crime and disorder. We have concerns over the applicant and their suitability to run a licensed premises in accordance with legislation and the promotion of the licensing objectives. Section 18 (6) of the Licensing Act 2003 states that representations should relate to the likely effect of granting a licence on the licensing objectives and we believe that the likely effect of granting this licence is that the proposed licence holder will have no day to day control of this business and that he is, in effect, applying for a licence on behalf of someone else - notably the current business owner who has committed serious criminal offences at the premises, which resulted in a review of the premises licence.

On 29 March 2018, the Licensing Sub-Committee revoked the premises licence for the employment of an illegal worker, the failure of the present Premises licence holder to promote the licensing objectives due to breaches of licence conditions found in 2015 and 2017, the Sub-Committee were concerned that the Premises Licence Holder had failed to provide a credible account or reason for illicit alcohol being found on the premises.

The Premises Licence holder has appealed to the Magistrates Court and is awaiting a court date. He is permitted to sell alcohol pending the outcome of the appeal.

Given these circumstances we would have expected the new applicant to have contacted the Licensing team and Police to discuss his application beforehand, given the history of the premises. Additionally he has not provided any documents or any other evidence in relation to the purchase of this business from the present owner, or highlighted what experience or business plans he has to operate this premises lawfully.

Paragraph 8.46 of the Government's Guidance S182 states "*While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be taken into consideration when making an application. Licensing authorities may wish to encourage co-operation between applicants, responsible authorities and, where relevant, local residents and businesses before applications are submitted in order to minimise the scope for disputes to arise*".

If this premises licence is granted, the Licensing team believe it risks bringing the licensing regime into disrepute if reckless licence holders can avoid the consequences of their behaviour by simply putting the licence into someone else's name by selling the business when they get caught and so, effectively, get away with it. The deterrent effect of licensing enforcement would be lost and Licensing authorities should take a robust stance against such applications, particularly those which appear to be a ruse..

For these reasons, the Licensing team respectfully submit that this application is refused

Guidance issued under section 182 of the Licensing Act 2003 (April 2018)

Secretary of State's Guidance

8.41 In completing an operating schedule, applicants are expected to have regard to the statement of licensing policy for their area. They must also be aware of the expectations of the licensing authority and the responsible authorities as to the steps that are appropriate for the promotion of the licensing objectives, and to demonstrate knowledge of their local area when describing the steps they propose to take to promote the licensing objectives. Licensing authorities and responsible authorities are expected to publish information about what is meant by the promotion of the licensing objectives and to ensure that applicants can readily access advice about these matters. However, applicants are also expected to undertake their own enquiries about the area in which the premises are situated to inform the content of the application.

8.42 Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;
- any risk posed to the local area by the applicants' proposed licensable activities; and
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.

8.43 Applicants are expected to include positive proposals in their application on how they will manage any potential risks. Where specific policies apply in the area (for example, a cumulative impact policy), applicants are also expected to demonstrate an understanding

of how the policy impacts on their application; any measures they will take to mitigate the impact; and why they consider the application should be an exception to the policy.

8.44 It is expected that enquiries about the locality will assist applicants when determining the steps that are appropriate for the promotion of the licensing objectives. For example, premises with close proximity to residential premises should consider what effect this will have on their smoking, noise management and dispersal policies to ensure the promotion of the public nuisance objective. Applicants must consider all factors which may be relevant to the promotion of the licensing objectives, and where there are no known concerns, acknowledge this in their application.

8.45 The majority of information which applicants will require should be available in the licensing policy statement in the area. Other publicly available sources which may be of use to applicants include:

- the Crime Mapping website;
- Neighbourhood Statistics websites;
- websites or publications by local responsible authorities;
- websites or publications by local voluntary schemes and initiatives; and
- on-line mapping tools.

8.46 While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be taken into consideration when making an application. Licensing authorities may wish to encourage co-operation between applicants, responsible authorities and, where relevant, local residents and businesses before applications are submitted in order to minimise the scope for disputes to arise.

8.47 Applicants are expected to provide licensing authorities with sufficient information in this section to determine the extent to which their proposed steps are appropriate to promote the licensing objectives in the local area. Applications must not be based on providing a set of standard conditions to promote the licensing objectives and applicants are expected to make it clear why the steps they are proposing are appropriate for the premises.

8.48 All parties are expected to work together in partnership to ensure that the licensing objectives are promoted collectively. Where there are no disputes, the steps that applicants propose to take to promote the licensing objectives, as set out in the operating schedule, will very often translate directly into conditions that will be attached .

8.49 For some premises, it is possible that no measures will be appropriate to promote one or more of the licensing objectives, for example, because they are adequately covered by other existing legislation. It is however important that all operating schedules should be precise and clear about the measures that are proposed to promote each of the licensing objectives.

Reading Borough Council Licensing Policy statement states:

7.21 Crime Prevention

Conditions attached to premises licences and club premises certificates will, so far as possible, reflect local crime prevention strategies.

Where relevant representations are received the Authority may impose conditions, for example, requiring the use of CCTV both inside and outside of licensed premises for the purpose of minimising crime disorder and disturbance. Again, applicants for licences should note that the Authority might only attach conditions to licences if such conditions are consistent with the operating schedule submitted as part of the application process, or if relevant representations are received.

11.3 Hours of Sales in Off Licences

Shops, stores and supermarkets will generally be permitted to sell alcohol for consumption off the premises during the normal hours they intend to open for shopping purposes. However, in the case of individual shops that are known to be a focus of disorder and disturbance, then subject to relevant representations being received, a limit on licensing hours may be appropriate.

11.4 Licensed Premises in Residential Areas

In general the Authority will deal with the issue of licensing hours on the individual merits of each application. However, when issuing a licence, stricter conditions are likely to be imposed with regard to noise control in the case of premises that are situated in largely residential areas. In general, public houses located in and catering for residential areas wishing to open beyond 11pm will need to demonstrate clearly that public nuisance will not result from later operation.

14. Licence Conditions

General Approach to Licence Conditions

The purpose of the licensing Act is the regulation of licensable activities on licensed premises. All conditions attached to Premises Licences and Club Premises Certificates, will be focused on matters, which are within the control of individual licensees and others in possession of relevant authorisations. Accordingly, matters will centre on the premises being used for licensable activities and the vicinity of these premises.

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour once persons are away from licensed premises, and therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation. However, licensing law will always be part of a holistic approach to the management of the evening and local economy.

Licensing conditions will relate to licensed premises and the impact of those licensable activities on the premises in the vicinity thereof. In this latter regard the Council will primarily focus on the direct impact of any activities taking place on those living, working or otherwise engaged in the area concerned business, which is a relevant representation, or conditions are consistent with the operating schedule submitted by the applicant.

The Authority will, only impose conditions on premises if it is considered necessary and proportionate to do so in order to promote the licensing objectives. The Authority does not propose to implement standard conditions on licences across the board but instead, will draw upon a pool of conditions based upon those issued by the Home office and will attach such other conditions as it considers appropriate, given the circumstances of each individual case.

The model conditions will cover issues surrounding;

crime and disorder
public safety
public nuisance
protection of children from harm

Conditions to be imposed on licences will be tailored to the individual premises and events concerned. None of the matters discussed within this policy which may result in the imposition of conditions will be applicable or suitable for all premises. The Authority will have regard to the size and type of premises when considering imposing conditions upon licences as the result of receiving relevant representations.

Applicants are asked to consider the model conditions and incorporate such of the conditions into their operating schedules as they consider appropriate and necessary in order to promote the licensing objectives. The Authority will impose the model conditions on application when those conditions are consistent with the operating schedule.

If this application proceeds to a Licensing Applications Sub-Committee, and a licence is granted, the Licensing team would like the following conditions to be considered.

Ref: Local Food & Wine, 441 Basingstoke Road, Reading, RG2 0JF Date: 5th July 2018

Objection

To whom it may concern

I C2107 Declan Smyth on behalf of the Chief Officer of Thames Valley Police wish to formally object to the proposed application for a Application for a premises licence submitted by Jasnoor Sing Vadwah in relation to Local Food & Wine, 441 Basingstoke Road, Reading, RG2 0JF as it is believed that this application in its current format will undermine the four licensing objectives with specific regard to that of the prevention of crime & disorder.

The proposal before the Sub-Committee is for the Supply of Alcohol (Off Premises), Monday to Sunday 07:00-23:00 and Hours Premises Open To The Public Monday to Sunday 07:00-23:00

The Premises Licence for this site was revoked on 29th March 2018 by the Reading Borough Sub- Committee. On that occasion the premises licence holders were discovered to be employing an illegal worker which was compounded by a number of failures to comply with licensing legislation and breaches of licensing conditions found in 2015 and 2017.

Of course due to the history of this site and nature of the previous incidents leading to that review it is imperative that these criminal activities and wholesale failures are not repeated. The concern of Thames Valley Police is that this application has been made in an attempt to circumvent the current review process relating to this premises and if granted will likely lead to the continuation of poor practice and a failure to uphold the licensing objectives.

We strongly recommend that based on these concerns extreme scrutiny and due diligence be carried out by the licensing sub-committee to insure that this is indeed a “New” application, and not a “rebranded” application that will likely undermine the four licensing objectives.

Prior to this application Thames Valley Police can confirm that no contact has been received from the applicant in relation to this application in order to discuss any concerns which we may have had in relation to this and to determine any information that could have been supplied relating to our advice on local issues.

Paragraph 8.46 of the Secretary of States Guidance issued under Sec 182 Licensing Act 2003 states “While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be take into consideration when making an application.”

8.47 Applicants are expected to provide licensing authorities with sufficient information in this section to determine the extent to which their proposed steps are appropriate to promote the licensing objectives in the local area. Applications must not be based on providing a set of standard conditions to promote the licensing objectives and applicants are expected to make it clear why the steps they are proposing are appropriate for the premises.

8.48 All parties are expected to work together in partnership to ensure that the licensing objectives are promoted collectively. Where there are no disputes, the steps that applicants

propose to take to promote the licensing objectives, as set out in the operating schedule, will very often translate directly into conditions that will be attached .

8.49 For some premises, it is possible that no measures will be appropriate to promote one or more of the licensing objectives, for example, because they are adequately covered by other existing legislation. It is however important that all operating schedules should be precise and clear about the measures that are proposed to promote each of the licensing objectives.

In Conclusion Thames Valley Police strongly feel that this application in its current format and without further scrutiny is likely to undermine the licensing objectives, due to its failure to address sufficient conditions within the operating schedule that would provide reassurance that the failings of Today's Local Store are not repeated.

Case law within the East Lindsey District Council v Abu Hanif establishes:-

“Importantly the prevention of crime and disorder requires a prospective consideration of what is warranted in the public interest, having regard to the twin considerations of the prevention and deterrence”

Therefore in this situation we would state our opinion that the licensing objectives are prospective and can be preventative and would urge the Licensing Sub-Committee to refuse this application for a premises licence in order to prevent the licensing objectives from being undermined.

If the Licensing Sub-Committee were of a mind to grant this application we would strongly recommend the following conditions be added to the operating schedule.

CCTV

1. The Premises Licence Holder shall ensure the premises' digitally recorded CCTV system cameras shall continually record whilst the premises are undertaking licensable activities and recordings shall be kept for a minimum of 31 days with time and date stamping.
