VARIATION

Do you want the proposed variation to have effect as soon as possible? Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

We would like to propose variations to our current license in the following Thursdays we currently have licensed 1700 to 2000 and we would like to have this extended from 1700 to 2200. We still will not be open every Thursday but would like to be able to have the extra hours leading into and over the summer so we can run a small shuffleboard and skeeball league at our venue and have enough time to complete.

Fridays we currently have 1500 to 2200 and Saturdays we currently have 1300 to 2200. We propose to change both of these to 0000. We intend to the majority of the time still close at 2200 as per current license, however if we have a special event or staff birthday, it gives us a few extra hours we are able to stay open for such thing. During these extended hours all activity would take place indoors even during summer as any outdoor area would be shut off to the public except for leaving the premises and any music played over our speakers would be turned down due to being the later hours of the day. We would stop further entry to the premises on the extended events at 2200 so the extra hours would be for the allowance of those already in the ancillary bar. There would not be any increase in activities other than the extra 2 hours the bar could be open.

We would like to extend our Wednesday hours to the same proposal that is for our Thursday hours. We are also requesting modest Sunday hours as beer checks always happen so the brewery is constantly staffed then.

No customers will be permitted to take open containers of alcoholic or soft drinks from the premises.
