APPLICATION FOR THE REVIEW OF A PREMISES LICENCE

1. Premises:

Butts Convenience Stores
205 Oxford Road,
Reading
RG1 7BX

2. Applicants Requesting Review:

Thames Valley Police

3. Grounds for Review

The application is for the review of premises licence (**LP2002385**) in respect of the above-mentioned premises. The application has been submitted by Thames Valley Police, who are a named responsible authority under the Licensing Act 2003, in regards to the objectives of Prevention of Crime and Disorder, Prevention of Public Nuisance, Public Safety and Protection of Children from Harm.

This application for review has been submitted in order to address the failure of the premises licence holder to promote the licensing objectives via their insufficient measures to ensure due diligence or compliance of their licence conditions. These poor processes have led to staff members being employed without proof of their right to work or any training given in the sale of alcohol or the licensing objectives. Thames Valley Police attempted to address these ongoing concerns via a stepped performance improving approach by requesting consideration for voluntary improvements to the premises licence conditions. However, no reasonable response has been received from the Premises Licence Holder.

4. Date of receipt of application: 18th October 2020

A copy of the review application and appendices received are attached as **Appendix LIC-1**

5. Date of closure of period for representations: 15th November 2020

6. Representations received:

During the 28 day consultation period, representations were received in regards to this review application from:

The Premises Licence Holder and Designated Premises Supervisor is: **Mr Daljit Khurana**

The premises currently has the benefit of a premises licence. A copy of the current licence is attached at **Appendix LIC- 3**

8. Licensing Objectives and Reading Borough Council's Licensing Policy Statement

In determining this application the Licensing Authority has a duty to carry out its functions with a view to promoting the four licensing objectives, which are as follows:-

- the prevention of crime and disorder;
- public safety
- the prevention of public nuisance
- the protection of children from harm

In determining this application, the Licensing Authority must also have regard to the representations received, the Licensing Authority's statement of licensing policy and any relevant section of the statutory guidance to licensing authorities.

9. Power of Licensing Authority on the determination of a Review

In determining the review application the sub-committee can take such steps as it considers appropriate for the promotion of the licensing objectives, which are:

1. Take no further action
2. To issue formal warnings to the premises supervisor and/or premises licence holder
3. Modify the conditions of the licence (including, but not limited to hours of operation of licensable activities)
4. Exclude a licensable activity from the scope of the licence
5. Remove the designated premises licence supervisor
6. Suspend the licence for a period not exceeding three months
7. Revoke the licence.

Where the sub-committee takes a step mentioned in 3 or 4 it may provide that the modification or exclusion is to have effect for a period not exceeding three months or permanently.

Amended Guidance issued under section 182 of the Licensing Act 2003 (April 2018)

11.19 Where the licensing authority considers that action under its statutory powers is appropriate, it may take any of the following steps:

- modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition), for example, by reducing the hours of opening or by requiring door supervisors at particular times;
- exclude a licensable activity from the scope of the licence, for example, to exclude the performance of live music or playing of recorded music (where it

- is not within the incidental live and recorded music exemption);
- remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
 - suspend the licence for a period not exceeding three months;
 - revoke the licence.

11.20 In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.

11.22 Equally, it may emerge that poor management is a direct reflection of poor company practice or policy and the mere removal of the designated premises supervisor may be an inadequate response to the problems presented. Indeed, where subsequent review hearings are generated by representations, it should be rare merely to remove a succession of designated premises supervisors as this would be a clear indication of deeper problems that impact upon the licensing objectives.

11.23 Licensing authorities should also note that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months. Temporary changes or suspension of the licence for up to three months could impact on the business holding the licence financially and would only be expected to be pursued as an appropriate means of promoting the licensing objectives or preventing illegal working. So, for instance, a licence could be suspended for a weekend as a means of deterring the holder from allowing the problems that gave rise to the review to happen again. However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the promotion of the licensing objectives and for the prevention of illegal working in licensed premises. But where premises are found to be trading irresponsibly, the licensing authority should not hesitate, where appropriate to do so, to take tough action to tackle the problems at the premises and, where other measures are deemed insufficient, to revoke the licence.

Reading Borough Council Statement of Licensing Policy (2018)

1.6 The predominantly urban nature of Reading as a town means that an appropriate balance needs to be struck between the needs of local business and the needs of local residents. This licensing policy seeks to encourage all stakeholders to engage in the licensing process so that the needs of all can be taken into account and issues dealt with in a spirit of partnership and cooperation.

Crime and Disorder Act 1998

3.2 This Act requires local authorities and other bodies to consider crime and disorder reduction. Section 17 of the Act states that it shall be the duty of each authority, to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that is reasonably can to

prevent crime and disorder in its area (including anti-social and other behaviour adversely affecting the local environment). This links specifically with the licensing objective of prevention of crime and disorder and the licensing authority will take into account all reasonable measures that actively promote this licensing objective.

Review of a premises licence or club premises certificate

5.13 Any premises that has a premises licence or club premises certificate may have that licence reviewed by any of the named Responsible authorities - including the Licensing Authority in its role as a Responsible Authority. Thames Valley Police may also submit a Summary Review if there is a premises associated with serious crime and disorder. When the Licensing Authority instigates a review it will ensure that there is a clear separation of functions between the officer acting as the licensing authority and the officer acting as a responsible authority.

Licensing Conditions

General Approach

6.1 Conditions shall be appropriate and proportionate for the promotion of the licensing objectives and shall be unambiguous and clear in their stated aims. Conditions will also be tailored to the type, location and characteristics of the particular premises and the relevant licensable activities. Any condition imposed by the Authority shall also aim to avoid duplication of other legislation unless there is a requirement to impose such a condition in order to promote the licensing objectives (for example, a capacity limit for public safety reasons). This shall apply to all relevant applications (grant/variation of a premises licence or club premises certificate)

6.5 Any conditions imposed upon a premises licence or club premises certificate will be tailored to that type of premises and the style of operation. Consideration will also be given to the locality of the premises; issues in the locality; the issues set out in the Guidance and any policy, initiative or other matter the licensing authority wishes to take into account in order to promote the four licensing objectives.

Enforcement

General Principles

9.1 It is the responsibility under the Act for all responsible authorities; licence holders and prospective licence holders to actively promote the four licensing objectives. The Council along with partner agencies, has a wider responsibility to protect the public as a whole and prevent crime, harm or nuisance from taking place.

9.2 The Authority will carry out its licensing functions with a view to actively promoting the licensing objectives and maintaining public safety. This applies to the dual role the licensing authority has both as the administrator of the process and as a responsible authority.

Enforcement Approach

9.15 Licensed premises that have a history of non-compliance over a period of months and years and/or incidents of serious crime taking place at that premises, will likely find that the Authority will initiate a review with a view to asking for the licence to be considered for revocation.

9.16 When considering what enforcement action to take, the Authority will always consider what is the most appropriate and proportionate step to promote the licensing objectives. The Authority is not required to wait for offences to occur before deciding it needs to take appropriate action. Case law - notably *East Lindsey District Council v Abu Hanif* - states that the promotion of the licensing objectives requires a prospective consideration of what is warranted in the public interest having regard to the twin considerations of prevention and deterrence. Similarly, the Secretary of State's Guidance to the Licensing Act makes clear that there is no requirement for the Authority to wait for the outcome of any criminal proceedings before it initiates any enforcement action. This is the approach that the Authority will take when considering what, if any, action should be taken when condition breaches and other criminal activity is found at licensed premises.

10. Summary

Thames Valley Police have applied for this review to address the failures of the premises licence holder to promote the 4 licensing objectives due to their insufficient measures to ensure due diligence or compliance of their licence conditions. Reading Borough Council's Licensing Team have made a representation in support of Thames Valley Police and concur that the failures of the premises licence holder must be addressed. Thames Valley Police and Reading Borough Council Licensing put forward that the appropriate and proportionate measure to take is to attach suggested conditions contained in their representations and for a period of suspension to allow the premises licence holder time to ensure that they are able to comply with any new conditions.
