Brighter Futures for Children: Covid update

September 2021

Schools

- Increased numbers being identified as positive for Covid-19 – children and teachers.
- Vaccinations in schools.
- CYP disenfranchised from school.
- Second Mental Health Support Team.

Social Care

Ongoing issues in relation to the following:

- Continued increased demand on the front door.
- Increase in poverty, family dysfunction and mental health.
- Continued challenges in securing local placements.
- UASC.

Early Help and Prevention

- 0-2 years old not experiencing socialising.
- Serious Youth Violence.
- Education Welfare Service.
- Projects in schools and RBH.
