

## REPORT OF THE INDEPENDENT REMUNERATION PANEL APPOINTED TO REVIEW THE ALLOWANCES PAID TO COUNCILLORS OF READING BOROUGH COUNCIL FOR 2022/23

FOR SUBMISSION TO COUNCIL ON 31 JANUARY  
2023

### Background

The Local Authorities (Members' Allowances) (England) Regulations 2003 provide for the payment of Allowances to Members of the Council in connection with their work as Councillors. Before the Council can make or amend a scheme of allowances, it should consider the recommendations made in relation to it by an Independent Remuneration Panel (IRP).

The Council, on 13 November 2001, set up an Independent Remuneration Panel to review annually the Council's scheme for Councillor's Allowances. The Local Government (Local Authority Members in England) Regulation 2003, stated that Independent Remuneration Panels established by local authorities should make recommendations for a scheme of allowances to include:

- The amount of basic allowance (BA) to be paid to all Councillors;
- The duties in respect of which Councillors should receive a special responsibility allowance (SRA), and the amount of such an allowance.
- Allowances for the care of children or dependants.

### The Independent Remuneration Panel

The Remuneration Panel's current membership is as follows:

- Lady Audrey Durant - member with experience of the local voluntary sector
- Linda Fort - member with experience of the local media
- Mick Pollek - member with experience of the local trade union movement

The Panel was supported by the following council officers:

- Michael Popham (Democratic Services Manager)
- Jemma Durkan (Committee Services)

### Background

In 2019/20 the Panel undertook a full review of the scheme. As part of that review, the Panel recommended that the BA and the SRAs should be increased at the beginning of each new

financial year in accordance with the Local Government Pay Settlement (LGPS). It also recommended that the carers allowance, which is available to councillors to cover the cost of looking after dependants, whilst they are undertaking approved duties on behalf of the Council, should be increased in line with the 'Real Living Wage'. The review was reported to Council on 25 June 2019 when it accepted that recommendation. The new scheme came into effect on 1 October 2019.

Since the introduction of the new scheme in 2019, the BA and SRAs continued to be increased in line with the LGPS and the 'Real Living Wage' as recommended by the Panel.

### **Recommendations**

The Panel met via Microsoft Teams on 23 November 2022.

The Panel was provided with the following information in advance of the meeting:

- The previous Councillors' Allowances Scheme report, which had been considered by Council on 27 January 2022 and the extract from the Minutes of that meeting (Minute 34 refers).
- South-East Employers Members' Allowances Survey.

The Panel discussed the current scheme and considered that the existing four-year scheme, which had been introduced in 2019/20 and would run until March 2023, was still 'fit-for-purpose' and should continue predominantly in its current form for a further four years. This would mean that BA and SRAs would continue to increase in line with the LGPS. The Panel noted that this year the LGPS had included a lump sum settlement, which had been applied to all grades. The Council had increased Councillors' Allowances by 4.04%, which was in line with the increase to other relevant allowances within the scheme. The Panel endorsed this approach for 2022/23. The Panel agreed that in the event there was a lump sum pay award in future years, it would meet to consider potential options for increasing Councillors' allowances. It was noted that the LGPS had not been agreed for 1 April 2023.

Additionally, the Panel recommended broadening the clause in the scheme to make benefits available to Council staff available to Councillors, where this was possible.
