Dear Sir or Madam,

I noticed an article in the Reading
 Chronicle today, that Smith's Motorcycle &
 Cycle dealers (now closed) at 142-144
 Whitley Wood Lane could become a
 convenience store selling alcohol from
 7am to midnight each day, and that a
 licensing application has been
 submitted by Pajan Singh Kaneja to
 open Whitley Superstore.

I think this could cause an
 amount of traffic chaos at this
 busy roundabout junction, and is
 indicative of a serious accident about
 to happen. It is already often
 difficult to cross any of the roads
 concerned here - even more so when
 a bus is at the stop as well, and
 there have been fatalities in the
 past.
