

APPENDIX 1 - WAITING RESTRICTION REVIEW PROGRAMME

Requests for waiting restrictions for potential inclusion in the 2024A programme.

Ward	Street	Summary of Request
Abbey	Abattoir's Road	Request to create a Traffic Regulation Order that covers the restrictions marked on the road, in order to allow enforcement to take place.
Abbey	Bembridge Place	Request to create a Traffic Regulation Order that covers the restrictions marked on the road, in order to allow enforcement to take place.
Battle	Loverock Road	Request for restrictions around the entrance to the Portman Centre, to prevent issues caused by vehicles parking obstructively.
Caversham	Talbot Close	Request to install restrictions to prevent vehicles parking near the island, as the vehicles are damaging the verge and trees.
Caversham Also in Caversham Heights	The Warren	Request to move the existing disabled parking spaces near the Church as they are on a slope. It has been suggested that we swap the bays with the non-disabled spaces, which are on a flatter surface.
Caversham Heights Also in Caversham	The Warren	Request to move the existing disabled parking spaces near the Church as they are on a slope. It has been suggested that we swap the bays with the non-disabled spaces, which are on a flatter surface.
Church	Chagford Road	Request to install restrictions to prevent vehicles parking on the bend near the alleyway that leads to Basingstoke Road. Vehicles are causing obstruction and block view of other vehicles and pedestrians.
Church	Devonshire Park	Request to install restrictions to prevent all day parking by vans in Devonshire Park as residents and their guests are finding it difficult to park on the street.
Church	Highmead Close	Request for restrictions on the road to prevent obstructive parking in the area.
Church	Northcourt Avenue	Concerns have been raised about the level of footway parking on both sides toward the junction at the south end of the road. A request has been made for a bay-marked solution that can serve local needs but keep the parking on the carriageway. This would very likely require a stretch of double-yellow-lines opposite, due to the road width.
Church	Salcombe Road	Request for double yellow lines at both ends of Salcombe Road due to kerb blocking and visibility issues.
Church	Tamar Gardens / Staverton Road	Request for yellow lines around the junction to prevent visibility issues caused by parked cars.
Coley	Lesford Road	Request for restrictions to prevent vehicles parking on the pavement near no 6-8 Lesford Road. Buses are also struggling around the corner due to vehicles parking in this area.
Emmer Green	Lowfield Road	Request for restrictions to prevent vehicles parking on the bend west of its junction with Caversham Park Road.
Katesgrove	Bourne Avenue	Request for restrictions to help reduce obstruction caused by on-street parking around the bend of the road.

Kentwood	Thirlmere Avenue	Request for an extension of the existing yellow lines around the junction with Broomfield Road.
Kentwood	Oak Tree Road	Request for additional restrictions near the junction with Carlisle Road to help reduce obstructive parking on the narrow road.
Kentwood and Tilehurst	Armour Road	Request to remove the limited waiting bay south of the junction with Lower Armour Road, due to vehicles obstructing resident driveways.
Norcot	Moriston Close	Request for restrictions to help prevent issues with waste collection vehicles as they have not been able to access the road on occasion due to parked cars.
Norcot	Spey Road	Request to review the markings around the bus stop near Oak Tree House as it is being used as a general parking spot and buses are not able to access it.
Redlands	Newcastle Road	Request for restrictions in the car parking area at the southeast end of Newcastle Road to tackle inconsiderate parking on the pavement and at junctions.
Thames	Addison Road / Printers Road	Request for restrictions to prevent obstructive parking around the junction.
Tilehurst	Chichester Road / Calder Close	Request for restrictions around the junction to improve visibility for motorists.
Tilehurst	Childrey Way	Request for yellow lines at the eastern end of Childrey Way to prevent vehicles obstructing access to the play area.
Tilehurst	Mayfair	Request for extension of yellow lines on the northern side of the road between its junctions with Park Lane and Lansdown Road, with a loading ban to ensure one side of the road is clear of parking. This is due to issues caused by vehicles parking on both sides of the road.
Tilehurst	Lower Elmstone Drive	Request for yellow lines on the western side of the road from the mini roundabout at Chapel Hill to the opposite junction with Little Oaks Drive, to prevent issues caused by vehicles obstructing the road which is causing issues particularly for larger vehicles.
Tilehurst	Chapel Hill	Request for yellow lines on one side of the road to prevent double parking which is causing issues with visibility and blocking traffic.
Tilehurst	Westwood Road	Request for yellow lines to be installed south of the junction with Victoria Road to prevent obstructive parking on the road.
Tilehurst and Kentwood	Armour Road	Request to remove the limited waiting bay south of the junction with Lower Armour Road, due to vehicles obstructing resident driveways.
Whitley	Falmouth Road	Request for restrictions near the junction with Whitley Wood Lane and on the bend to protect the grass verge and prevent parking near the junction.
Whitley	St Agnes Way and Havergate Way	Request for yellow lines around the bend to prevent obstruction of the road and pavements.
Whitley	Tidman Road	Request for additional restrictions at the entrance of the road due to issues caused by vehicles parking on both sides.
