In response to My representation to be valid you must state how it relates to 1 or more of the 4 licensing objectives which are: The Prevention of Crime and Disorder. I'm shocked by what's happened as I have always found the pub to be a safe place. I have not seen any crime take place or heard of any criminal activity whilst visiting. I have never been offered anything other than a warm welcome when I have been at the pub. The Protection of Children from harm My mum and her friends regularly visit on a Sunday with my nephew's and they all love going in there. The landlady is great with the kids and makes them feel so welcome!

Good afternoon,

Thank you for your representation in relation to the above application.

For your representation to be valid you must state how it relates to 1 or more of the 4 licensing objectives which are:

1. The Prevention of Crime and Disorder
2. The Prevention of Public Nuisance
3. Public Safety
4. The Protection of Children from Harm

You must also supply your full name and home address.

If we do not receive the above from you, your representation will not form part of the sub-committee hearing to determine the review application'.

In some exceptional and isolated circumstances interested parties may be reluctant to make representations because of fears of violence or intimidation if their personal details such as name and address are divulged to the applicant. The Licensing Act requires local authorities to provide to the applicant copies of all representations made in relation to an application. As standard, no written representations will have personal details removed unless the licensing authority deems it appropriate to do so. Any request for personal details to be removed and the justification for such a request should be notified to the Licensing Authority at the time of making the representation, or in response to this message if a representation has already been submitted.

If you have any questions, please send them to licensing@reading.gov.uk
