My representation to be valid you must state how it relates to 1 or more of the 4 licensing objectives which are:

The Prevention of Crime and Disorder

The landlady has made a mistake and this is our of character. The pub has always been strict in crime and drugs. I believe the land lady does her best to keep law and order and prevent crime when ever possible.

The Prevention of Public Nuisance

The land lady has asked people on a number of occasions to leave quickly and quietly and always closes in time. I take my children and parents for food and to enjoy the garden when the weather allows. The pub is welcoming place to meet friends and family and enjoy a quiet meal in a friendly atmosphere. My autistic son in particular loves how welcoming the land lady is and how special she makes him feel.

Public Safety

The Protection of Children from Harm.

As above I take my autistic grandson son (who lives with me) who is 11 and he's always welcome and I regularly take my grandchildren aged 2, & 3 in for food and they love the welcome they received. My children and grandchildren do not visit many places and would miss out on enjoying a welcoming space with a great garden and an amazing team behind the bar.

You must also supply your full name and home address.

Good evening,

Thank you for your representation in relation to the above application.

For your representation to be valid you must state how it relates to 1 or more of the 4 licensing objectives which are:

1. The Prevention of Crime and Disorder
2. The Prevention of Public Nuisance
3. Public Safety
4. The Protection of Children from Harm

You must also supply your full name and home address.

If we do not receive the above from you, your representation will not form part of the sub-committee hearing to determine the review application'.

In some exceptional and isolated circumstances interested parties may be reluctant to make representations because of fears of violence or intimidation if their personal details such as name and address are divulged to the applicant. The Licensing Act requires local authorities to provide to the applicant copies of all representations made in relation to an application. As standard, no written representations will have personal details removed unless the licensing authority deems it appropriate to do so. Any request for personal details to be removed and the justification for such a request should be notified to the Licensing Authority at the time of making the representation, or in response to this message if a representation has already been submitted.

If you have any questions, please send them to licensing@reading.gov.uk

Please do not close our local community hub.

The pub is more than just a place to share a drink with friends.

It part of the community, it brings people together in a welcoming atmosphere.

I have been using the pub for over 7 years now and even moving out of the area to Wokingham doesn't stop me visiting regularly to

share food and catch up with friends.

I love attending events and even take my parents who are in Caversham for food in the pub. They also enjoy their time at the cow and the landlady goes out of her way to welcome them.

I believe the community would suffer if the Red Cow closed, no where for the older members of the community to meet up. Many of us use the pub to stop being home alone.

The community needs this pub to keep young and old mixing and caring for each other.

Please keep our pub open.

Thank you
