This notice is to be used for the following types of officer decisions. (Select one option).

☒ **A.** Decisions taken by officers under a specific express delegation from Council or a Committee.

☐ **B.** Decisions taken by officers under a general delegation from Council or a Committee, which relates to (i) a permission or a licence, or (ii) the rights of an individual, or (iii) a contract or expenditure over which materially affects that relevant local government body's financial position.

1. Title of decision:	Care Provider Contract Extensions for Extra Care
2. Date of the decision:	29 November 2024
3. The decision maker:	Executive Director – Communities & Adult Social Care (DCASC)

4. Decision details:

It is the decision of the Executive Director for Communities & Adult Social Care using their delegated authority, and in consultation with Councillor Paul Gittings, to award contract extensions with 1. Care Outlook Ltd and 2. G P Homecare Ltd for the provision of an on-site care provider at 3 Extra Care Schemes each within the borough (6 in total).

This is in accordance with the Council's Contract Procedure Rule 20 (2).

The contract extensions will be for a period of 3 years each. This contract extensions will begin on 01/06/2025 and end on the 31/05/2028.

5. Reasons for the decision:

Extra Care provides an integrated housing and care community solution whereby residents access continuous or periodic support to meet their needs. Extra Care supports vulnerable adults to live well and independently at home.

6. Alternative options considered (if any) and rejected:

No Extension

This would result in needing to commission homecare framework providers to provide support at the Extra Care Schemes at a greater cost and decreased continuity of care for residents. On-site care management presence would cease. Background support would cease or require separate commissioning. Nighttime support would have to be commissioned separately at a higher rate of the homecare framework.

Re-tender

The contract reviews indicated that current provision provides good value and it is unlikely that better value could be achieved through retendering.

Direct Award to an Alternative Provider

The Council's Contract Procedure Rules dictate that this is not possible due to the contract value and anti-competitive nature. The current contracts offer good value so the Council would not seek to award directly to another provider.

Extend for 1 year or 2 years

The Council's intention is to work with the service providers to complete development work over the next 3 years. A short-term extension of 1-2 years will not allow enough time for completion of this work prior to reprocurement of the services.
