

LICENSING ACT 2003 HEARING THURSDAY 14th MARCH 2019 AT 0930HRS
APPLICATION FOR THE GRANT OF A PREMISES LICENCE

1. Premises:

Tea Party Festival
"Thameside Promenade"
Reading
RG1 8DP

2. Applicant:

Tea Party Fest Limited
11 Castle Hill
Maidenhead
SL6 4AA

3. Premises Licence:

There is currently no premises licence in force at the premises for this specific outdoor event.

4. Proposed licensable activities and hours:

The application is for the grant of a premises licence for the last weekend (Saturday and Sunday) in June annually for the following activities:

Sale of Alcohol (on and off the premises)
Saturday and Sunday from 1200hrs until 2200hrs

Regulated Entertainment (i
ndoor and outdoor)
Saturday and Sunday from 1200hrs until 2200hrs

Hours Open to the Public
Saturday and Sunday from 1200hrs until 2200hrs

Other
Capacity 9999 persons per day

5. Temporary Event Notices

In considering any application the Licensing Authority should be aware of the possible use of Temporary Event Notices to extend entertainment activities or hours of operation. A premises may extend the hours or scope of their operation by the use of Temporary Event Notices. Up to 15 events per year can be held under this provision at a particular premises. These events may last for up to 168 hours provided less than 500 people are accommodated and provided the total number of days used for these events does not exceed 21 per year.

6. Date of receipt of application: 18 January 2019

A copy of the application form is attached at Appendix LIC-1

7. Date of closure of period for representations: 15 February 2019

8. Representations received:

During the 28 day consultation process for the application, representations were received from:

Reading Borough Council Licensing team (attached at Appendix LIC-2)

Thames Valley Police (attached at Appendix LIC-3)

Environmental Protection (Noise) team (attached at Appendix LIC-4)

Environmental Health (Food and safety) team (attached at Appendix LIC-5)

Other interested parties (attached at Appendix LIC-6)

A location plan is included within the application.

9. Licensing Objectives and Reading Borough Council's Licensing Policy Statement

In considering representations received the Licensing Authority has a duty to carry out its functions with a view to promoting the four licensing objectives, which are as follows:

- the prevention of crime and disorder;
- public safety
- the prevention of public nuisance
- the protection of children from harm

Any conditions that are placed on a premises licence should be appropriate and proportionate with a view to promoting the licensing objectives. The Licensing Authority can amend, alter or refuse an application should it be deemed appropriate for the promotion of the licensing objectives.

The Council's licensing policy also places an onus on applicant's who wish to open past 11pm to demonstrate how they will mitigate the issues of crime and disorder and potential public nuisance.

The Council's Licensing Policy Statement (October 2018)

Introduction

1.1 This policy sets out how the Council as the Licensing Authority for Reading promotes the four licensing objectives stated in the Licensing Act 2003. The four licensing objectives, as outlined in Section 4 (2) of the Licensing Act 2003, are of equal importance and the Council along with other named Responsible Authorities, stakeholders, residents and licence holders shall work together in order to actively promote them. Those four licensing objectives are:

- The prevention of crime and disorder
- The prevention of public nuisance
- The protection of children from harm
- Public Safety

1.2 The Council must have regard to the four licensing objectives when carrying out its functions under the Licensing Act 2003. The Licensing Authority will also have regard to other Council policies which have been introduced to tackle issues that may undermine crime and disorder or any of the other licensing objectives. The Licensing Authority will have regard to the contents of this policy as well as the Secretary of State's Guidance issued under Section 182 of the Licensing Act 2003. It may also depart from this policy and the Secretary of State's Guidance if there are exceptional circumstances and it is appropriate to do so to promote the licensing objectives. If the Licensing Authority departs from the Secretary of State's Guidance it will give reasons as per paragraph 1.9 of that guidance.

1.6 The predominantly urban nature of Reading as a town means that an appropriate balance needs to be struck between the needs of local business and the needs of local residents. This licensing policy seeks to encourage all stakeholders to engage in the licensing process so that the needs of all can be taken into account and issues dealt with in a spirit of partnership and Co-operation.

Crime and Disorder Act 1998

3.2 This Act requires local authorities and other bodies to consider crime and disorder reduction. Section 17 of the Act states that it shall be the duty of each authority, to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that is reasonably can to prevent, crime and disorder in its area (including anti-social and other behaviour adversely affecting the local environment). This links specifically with the licensing objective of prevention of crime and disorder and the licensing authority will take into account all reasonable measures that actively promote this licensing objective.

Consultation

4.1 In drawing up and reviewing this policy, the licensing authority consulted with the bodies designated as Responsible Authorities within the Licensing Act 2003. The Authority also consulted with licence holders, local residents groups and groups representing the trade including licensing solicitors and Pubwatch.

- The chief officer of the police for the Reading local authority area
- The fire authority of the Reading local authority area
- The Public Health authority for the Reading local authority area
- Reading Borough Council Environmental and Nuisance team
- Reading Borough Council Environmental Health/Food Safety team
- Reading Borough Council Trading Standards team
- Reading Borough Council Planning Authority
- Reading Borough Council Safeguarding Board

- Alcohol licensing team at the Home Office
- All premises licence holders who hold a licence with Reading Borough Council
- Local organisations who are representative of local holders of premises licences
- Persons or bodies representative of local residents
- Licensing solicitors representing multi-site operators

4.5 The Licensing Authority shall, as required by Section 4 of the Licensing Act, have regard to this policy in its decision making. The policy may be departed from in the individual circumstances of any case where it is in the interests of promoting the licensing objectives. In such cases, the Licensing Authority shall give full reasons for departing from this policy.

4.6 The Licensing Authority has a duty under the Licensing Act 2003 to carry out its functions so as to promote the four licensing objectives. All four licensing objectives are of equal importance.

Licensing Conditions - General Approach

6.1 Conditions shall be appropriate and proportionate for the promotion of the licensing objectives and shall be unambiguous and clear in their stated aims. Conditions will also be tailored to the type, location and characteristics of the particular premises and the relevant licensable activities. Any condition imposed by the Authority shall also aim to avoid duplication of other legislation unless there is a requirement to impose such a condition in order to promote the licensing objectives (for example, a capacity limit for public safety reasons). This shall apply to all relevant applications (grant/variation of a premises licence or club premises certificate)

6.2 The operating schedule within an application should contain an assessment from the proposed licence holder of what they believe are appropriate and proportionate measures to enable them to carry out their proposed licensable activities. This assessment should be arrived at by taking cognisance of this policy and the Secretary of State's guidance which outlines the matters that an applicant should take into account such as issues in the locality and why their proposed measures are suitable for their proposed operation.

Licensed premises in residential areas

7.6 When dealing with applications and issuing licences, the authority is likely to impose stricter conditions on premises operating in residential areas if it considers it appropriate and proportionate to do so. This will apply to all premises types.

7.7 Generally, any licensed premises looking to open past 11pm (2300hrs) in a residential area will need to demonstrate clearly in their operating schedule that public nuisance will not result from later operation. As part of the operating schedule, applicants should read the Secretary of State's Guidance, this policy and any other relevant document and ensure that

robust measures are included in any application.

7.8 Premises that wish to provide regulated entertainment may be subject to additional conditions to ensure that residents are not disturbed. This may include the use of sound limiters; keeping doors and windows closed and restricting the hours when music is played.

7.9 Premises with outdoor areas such as beer gardens and smoking areas may also be subject to further restrictions in regard to their operation and use.

7.10 Where any outside area is used for drinking and/or smoking - including the public highway outside of a licensed premises - and complaints of public nuisance or noise are received the authority will consider controls to limit the disturbance.

7.11 Premises that are planning to put on events that involve regulated entertainment may be required to provide the authority with a detailed event management plan of that event which may include a detailed noise risk assessment.

7.12 The licensing authority will seek the input of the Council's Environmental Protection and Nuisance team when looking at measures that may be appropriate for the prevention of public nuisance. This will include taking cognisance of any representations that are submitted as part of the application process or any enforcement action they have taken under their own legislation - such as noise abatement notices.

Drinking up/Winding down time/Dispersal

7.14 Premises that provide licensable activity that may undermine the promotion of the four licensing objectives; cause disturbance to residents or in any way exacerbate issues of anti-social behaviour and crime and disorder, are expected to adopt, implement and maintain a robust dispersal policy. Licensed premises in residential areas or within the Council's Cumulative Impact Area are also expected to outline measures such as a suitable wind down time where licensable activities will come to a gradual conclusion before closing time to allow for a gradual and orderly dispersal from the premises and area. It is expected that all staff will be aware of any dispersal policy and wind down times so as to ensure that customers actively leave the premises and area within permitted hours and with the minimum of disturbance to local residents.

7.15 In the case of nightclubs, dance venues and similar premises, it is expected that licence holders and designated premises supervisors instigate and operate a wind down time starting at least thirty minutes before closing time. During this time, the pace, volume and type of music played should be slowed down and reduced to background levels. The sale of alcohol should also cease and staff should be available to assist in the gradual dispersal of patrons from the premises and the immediate area. It is expected that door supervisors should also assist with the gradual dispersal of patrons from the

premises and the area and direct people to public transport if appropriate.

8.2 Applicants must be clear in their operating schedules about the activities and times at which the events would take place to help determine when it is not appropriate for children to enter the premises. Consideration should also be given to the proximity of premises to schools and youth clubs so that applicants take appropriate steps to ensure that advertising relating to their premises, or relating to events at their premises, is not displayed at a time when children are likely to be near the premises.

8.3 The Authority will expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises. The Authority will also expect any licence holder who wishes to hold events for children to provide it and Thames Valley Police with a detailed risk assessment of that event including how the event will be managed, staffing levels for the event and how any child will be prevented from being exposed to any harm.

8.16 The Licensing Authority expects all applicants for grants or variations of their premises licence or club premises certificate to outline robust measures to protect children from harm. This can include appropriate staff training as well as a Challenge 25 age verification policy for the sale of alcohol and any other measure which is deemed appropriate for the style of premises.

General Principles

9.1 It is the responsibility under the Act for all responsible authorities; licence holders and prospective licence holders to actively promote the four licensing objectives. The Council along with partner agencies, has a wider responsibility to protect the public as a whole and prevent crime, harm or nuisance from taking place.

9.2 The Authority will carry out its licensing functions with a view to actively promoting the licensing objectives and maintaining public safety. This applies to the dual role the licensing authority has both as the administrator of the process and as a responsible authority.

9.3 The Licensing Authority has previously and will continue to work with other responsible authorities and partner agencies in order to ensure that the licensing objectives are promoted and that a consistent and joined up approach is taken to enforcement across Reading.

9.4 Reading Borough Council and Thames Valley Police work in partnership when carrying out work that involves licensed premises and any matter that undermines the licensing objectives. The Authority and Thames Valley Police also work in partnership with colleagues in the Home Office Immigration Enforcement team and Trading Standards on a variety of issues including the prevention and detection of illegal working in licensed premises and issues surrounding super strength alcoholic products and responsible alcohol retailing.

9.5 The Licensing Authority, Trading Standards and Thames Valley Police have established a regular partnership group to discuss and identify issues arising from licensed premises and to decide what, if any, enforcement action should be taken against any such premises. The partnership group is often attended by other colleagues so as to provide the widest possible, joined up approach to tackling issues in relation to licensed premises. It is the authority's view that issues are best tackled, whenever practicable, through this joined up approach as it provides consistency and a best practice approach to dealing with licensing issues.

Inspections

9.6 The Authority will carry out inspections at all premises where a premises licence is in force. Additionally, an inspection may also be carried out where an application for a grant, variation or review is received by the Authority to ascertain the likely effect of granting any application on the promotion of the licensing objectives. Inspections may also be carried out if the Authority or one of our partner agencies/responsible authorities are made aware of complaints or other incidents that undermine the promotion of the licensing objectives.

9.7 Inspections will be carried out solely by the Licensing Authority or in conjunction with other partners such as Thames Valley Police, Home Office Immigration Enforcement and Trading Standards.

Test Purchasing

9.8 It is the Authority's view that the sale of alcohol or other age restricted products to children is completely unacceptable. The Authority will work with colleagues in Thames Valley Police, Trading Standards and the Community Alcohol Partnership to regularly carry out test purchases on licensed premises. The sale of alcohol to children is an offence under the Act. Any premises or licence holder that is found to be selling alcohol to children is likely to have enforcement taken against them.

Enforcement Approach

9.12 Where offences are found to have been carried out on licensed premises, the Authority has a number of enforcement options available to it. The Authority will work with partner agencies to determine which enforcement option is appropriate for the promotion of the licensing objectives. The seriousness of the offences found will be taken into consideration as well as any previous issues of non-compliance or criminality that have taken place at the licensed premises.

**Amended Guidance issued under section 182 of the Licensing Act 2003
(April 2018)**

Licensing Objectives and Aims:

1.5 However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:

- protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises

Steps to promote the licensing objectives:

8.41 In completing an operating schedule, applicants are expected to have regard to the statement of licensing policy for their area. They must also be aware of the expectations of the licensing authority and the responsible authorities as to the steps that are appropriate for the promotion of the licensing objectives, and to demonstrate knowledge of their local area when describing the steps they propose to take to promote the licensing objectives. Licensing authorities and responsible authorities are expected to publish information about what is meant by the promotion of the licensing objectives and to ensure that applicants can readily access advice about these matters. However, applicants are also expected to undertake their own enquiries about the area in which the premises are situated to inform the content of the application.

8.42 Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:

- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;
- any risk posed to the local area by the applicants' proposed licensable activities; and
- any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.

8.43 Applicants are expected to include positive proposals in their application on how they will manage any potential risks. Where specific policies apply in the area (for example, a cumulative impact policy), applicants are also expected to demonstrate an understanding of how the policy impacts on their application; any measures they will take to mitigate the impact; and why they consider the application should be an exception to the policy.

8.44 It is expected that enquiries about the locality will assist applicants when determining the steps that are appropriate for the promotion of the licensing objectives. For example, premises with close proximity to residential premises should consider what effect this will have on their smoking, noise management and dispersal policies to ensure the promotion of the public nuisance objective. Applicants must consider all factors which may be relevant to the promotion of the licensing objectives, and where

there are no known concerns, acknowledge this in their application.

8.45 The majority of information which applicants will require should be available in the licensing policy statement in the area. Other publicly available sources which may be of use to applicants include:

- the Crime Mapping website;
- Neighbourhood Statistics websites;
- websites or publications by local responsible authorities;
- websites or publications by local voluntary schemes and initiatives; and
- on-line mapping tools.

8.46 While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be taken into consideration when making an application. Licensing authorities may wish to encourage co-operation between applicants, responsible authorities and, where relevant, local residents and businesses before applications are submitted in order to minimise the scope for disputes to arise.

8.47 Applicants are expected to provide licensing authorities with sufficient information in this section to determine the extent to which their proposed steps are appropriate to promote the licensing objectives in the local area. Applications must not be based on providing a set of standard conditions to promote the licensing objectives and applicants are expected to make it clear why the steps they are proposing are appropriate for the premises.

8.48 All parties are expected to work together in partnership to ensure that the licensing objectives are promoted collectively. Where there are no disputes, the steps that applicants propose to take to promote the licensing objectives, as set out in the operating schedule, will very often translate directly into conditions that will be attached to premises licences with the minimum of fuss.

8.49 For some premises, it is possible that no measures will be appropriate to promote one or more of the licensing objectives, for example, because they are adequately covered by other existing legislation. It is however important that all operating schedules should be precise and clear about the measures that are proposed to promote each of the licensing objectives.

The role of responsible authorities

9.11 Responsible authorities under the 2003 Act are automatically notified of all new applications. While all responsible authorities may make representations regarding applications for licences and club premises certificates and full variation applications, it is the responsibility of each responsible authority to determine when they have appropriate grounds to do so.

9.12 Each responsible authority will be an expert in their respective field,

and in some cases it is likely that a particular responsible authority will be the licensing authority's main source of advice in relation to a particular licensing objective. For example, the police have a key role in managing the night-time economy and should have good working relationships with those operating in their local area⁵. The police should usually therefore be the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder licensing objective. However, any responsible authority under the 2003 Act may make representations with regard to any of the licensing objectives if they have evidence to support such representations. Licensing authorities must therefore consider all relevant representations from responsible authorities carefully, even where the reason for a particular responsible authority's interest or expertise in the promotion of a particular objective may not be immediately apparent. However, it remains incumbent on all responsible authorities to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.

Licensing authorities acting as responsible authorities

9.13 Licensing authorities are included in the list of responsible authorities. A similar framework exists in the Gambling Act 2005. The 2003 Act does not require responsible authorities to make representations about applications for the grant of premises licences or to take any other steps in respect of different licensing processes. It is, therefore, for the licensing authority to determine when it considers it appropriate to act in its capacity as a responsible authority; the licensing authority should make this decision in accordance with its duties under section 4 of the 2003 Act.

Determining Actions that are appropriate for the promotion of the Licensing Objectives

9.42 Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be.

9.43 The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

Proposed Conditions

10.4 The conditions that are appropriate for the promotion of the licensing objectives should emerge initially from the risk assessment carried out by a prospective licence or certificate holder, which they should carry out before making their application for a premises licence or club premises certificate. This would be translated into the steps recorded in the operating schedule or club operating schedule, which must also set out the proposed hours

during which licensable activities will be conducted and any other hours during which the premises will be open to the public.

10.5 It is not acceptable for licensing authorities to simply replicate the wording from an applicant's operating schedule. A condition should be interpreted in accordance with the applicant's intention.

Designated Premises Supervisor

10.27 The main purpose of the 'designated premises supervisor' as defined in the 2003 Act is to ensure that there is always one specified individual among these personal licence holders who can be readily identified for the premises where a premises licence is in force. That person will normally have been given day to day responsibility for running the premises by the premises licence holder.

10.28 The 2003 Act does not require a designated premises supervisor or any other personal licence holder to be present on the premises at all times when alcohol is sold. However, the designated premises supervisor and the premises licence holder remain responsible for the premises at all times including compliance with the terms of the 2003 Act and conditions attached to the premises licence to promote the licensing objectives.

Licensing Act 2003

The Licensing Act 2003 under Section 18 (6) also states that any relevant representation should be considered in the context of:

(a) the likely effect of the grant of the premises licence on the promotion of the licensing objectives.

Therefore in the context of the grant of a licence, it is reasonable for the Licensing Authority to base its decision on an application on what the likely effects of granting a licence would have on the promotion of the licensing objectives.

Case Law

The Licensing Authority must consider each application on its own merits with a view to assessing the likely effect of granting such a licence on the promotion of the licensing objectives which is reasonably acceptable in a particular location (Paragraph 18 (6) of the Licensing Act 2003). This is confirmed in (R) on the application of Hope and Glory Public House v Westminster City Council (2011) EWCA Civ31 where Lord Justice Toulson stated:

(Para 42) Licensing decisions often involve weighing a variety of competing considerations: the demand for licensed establishments, the economic benefit to the proprietor and to the locality by drawing in visitors and stimulating the demand, the effect on law and order, the impact on the lives of those who live and work in the vicinity, and so on. Sometimes a

licensing decision may involve narrower questions, such as whether noise, noxious smells or litter coming from premises amount to a public nuisance.

Although such questions are in a sense questions of fact, they are not questions of the 'heads or tails' variety. They involve an evaluation of what is to be regarded as reasonably acceptable in the particular location. In any case, deciding what (if any) conditions should be attached to a licence as necessary and proportionate to the promotion of the statutory licensing objectives is essentially a matter of judgment rather than a matter of pure fact.

The above approach to grant applications and the prospective nature of the licensing objectives was confirmed in East Lindsey DC v Abu Hanif (2016) EWHC 1265 Admin, where Mr Justice Jay stated:

(Para 18) The prevention of crime and disorder requires a prospective consideration of what is warranted in the public interest, having regard to the twin considerations of prevention and deterrence.
