

Appendix 1: Equality Impact Assessment

Provide basic details

Name of proposal/activity/policy to be assessed:

Draft Eldon Square Conservation Area Appraisal

Directorate: DEGNS – Directorate of Economic Growth and Neighbourhood Services

Service: Planning, Transport and Public Protection

Name: Mark Worringham

Job Title: Planning Policy Manager

Date of assessment: 28/08/2025

Scope your proposal

What is the aim of your policy or new service?

To update the existing Eldon Square Conservation Area Appraisal

Who will benefit from this proposal and how?

The Council will benefit from having an up to date appraisal for use as a material consideration in planning decisions. Stakeholders, including members of the public and the development industry, will benefit from more certainty.

What outcomes will the change achieve and for whom?

Adoption of an updated appraisal and boundary extension will contribute to the protection and management of heritage assets.

Who are the main stakeholders and what do they want?

Developers/landowners, the public and community groups. All parties want an updated appraisal so as to best protect and enhance the historic environment in the area.

Assess whether an EIA is Relevant

How does your proposal relate to eliminating discrimination; promoting equality of opportunity; promoting good community relations?

Do you have evidence or reason to believe that some (racial, disability, gender, sexuality, age and religious belief) groups may be affected differently than others? (Think about your monitoring information, research, national data/reports etc)

Yes ☐ No ☒

Is there already public concern about potentially discriminatory practices/impact or could there be? Think about your complaints, consultation, feedback.

Yes ☐ No ☒

If the answer is **Yes** to any of the above you need to do an Equality Impact Assessment.

If No you **MUST** complete this statement

An Equality Impact Assessment is not required because the limited boundary extensions and proposed actions set out in the Appraisal would not be likely to have differential effects on racial groups, gender/transgender, disability, sexual orientation, age or religious belief.
