LOOK OUT FOR OUR PLANET

We are operating a three-bin system across the festival, encouraging everyone to dispose of their waste correctly!

Cardboard, glass, and vapes can also be recycled at the campsite recycling points.

We operate a deposit return scheme **in the arena** that helps collect a clean stream of paper cups, aluminium cans, and PET bottles, increasing recycling. Each item has a 10p return available.

Minimum 5 deposits, maximum of £25 money back.

TAKE IT HOME REWARDS

SHOW YOUR PACKED UP TENT TO ONE OF THE CAMPSITE TEAM FOR A CHANCE TO GET REWARDED!

LOOK OUT FOR OUR PLANET

We are working with Co-op to reward customers who are taking their tent home. Anyone who has packed up their tent can be given a physical Co-op voucher for money off.

Our primary aim is for everyone to take their tent home.

People can also donate their tent if they do not want to take it home.

We will be providing donation points from the Sunday at the **AIRHubs**, supported by the early salvage volunteer teams.
