- 4.3 The priorities within the draft strategy were developed via a series of workshops with members of the Domestic Abuse Strategy Group (DASG), a sub-group of the CSP. They reflect the group's aspirations to move the practices and approach of partners in Reading forward in specific areas, and it is assumed that the progress made during the previous strategy will be embedded by agencies as part of their 'business as usual' and therefore continued. Data will continue to be monitored by the DASG and any changes in performance or outcomes will be challenged regularly. The respondents to the consultation strongly agreed with the priorities so they remain as follows:
