The application sought to extend the operating hours to 21.00hrs until 05.00hrs the following day, seven days per week. The report explained that the application should be considered in line with the representations received, the Council's SEV Policy and any other matters that the Sub-Committee might deem as relevant, as well as in accordance with Schedule 3 of the Local Government Miscellaneous Provision Act 1982.

The following documents were attached to the report:

- Appendix JC7** Reading Borough Council's Regulations for Sex Establishments.

The report also explained that the premises did not currently have planning permission for use as an SEV, that an application for change of use had been received on 21 August 2019 and that a decision on the planning application had not yet been made. The Sub-
