

PARKING SERVICES ANNUAL REPORT

2018/2019

Reading
Borough Council
Working better with you

Foreword - Councillor Page

Welcome to Reading Borough Council's eleventh Parking Services Annual Report. The report summarises the parking and traffic enforcement responsibilities conducted by the Council in 2018/2019. It also provides details of activities and related financial information.

Reading remains a key economic hub in the Thames Valley and wider South-East. Many thousands of people travel into and around Reading on a daily basis, placing great demands on our transport infrastructure. At the same time, local businesses highlight a lack of capacity in transport infrastructure as one of their key concerns, and a restraint to future growth. The increasing demands on infrastructure are seen either through overcrowding or traffic congestion levels.

New infrastructure and growing our public transport offer, not only provide significant improvements to sustainable transport options, they support growth in the local economy and reducing Reading's carbon footprint. The Council introduced its first red route in Reading, along the 'Purple 17' bus route in March 2018 to help ease congestion and improve public transport.

Reading has an enforcement policy to try and balance the needs of all road users, at a time when demands continue to increase. The key objective is to maintain an appropriate balance between the needs of residents, visitors, businesses and access for disabled people, thereby contributing to the economic growth and success of the town.

Enforcement is conducted both on and off-street by Council Parking Services and Civil Enforcement Officers, employed through a term contractor. These officers actively patrol and enforce parking restrictions, supporting traffic management and safety responsibilities imposed on local authorities by legislation, directing patrol efforts to strategically important routes, areas of high contravention and sensitive locations, and in many cases in response to public demand.

Enforcement of parking restrictions is approached in a fair and reasonable manner across the town. The Parking Services team takes continual care when dealing with representations from the public against the Penalty Charge Notices to ensure that all the circumstances are fully considered on a case by case basis.

We continue to be committed to being transparent about our Parking Services and enforcement activity. This report provides an extensive record of activities during the 2018/2019 financial year and explains how the service is managed and aims to develop an understanding and acceptance of why enforcement activity takes place.

Cllr Tony Page

Lead Member for Strategic Environment, Planning & Transport, and Deputy Leader of the Council

Chapter 1 - Content

The Secretary of State's 'Statutory Guidance to Local Authorities on the Civil Enforcement of Parking Contraventions' states that local authorities should produce annual reports about their enforcement activities. It is considered good practice to publish a report which provides the public with information about the way enforcement is undertaken and provides reassurance that enforcement is being undertaken properly. The view of the Secretary of State is that transparency about the civil enforcement of parking regulations enables the public to understand and accept the enforcement of parking contraventions.

This Annual Report provides a record of activities during the 2018/2019 financial year and explains how the service is managed and aims to develop an understanding and acceptance of such enforcement activity.

The 2018/2019 is structured as follows:

Chapter 2 - Policy Context

Reading Borough Council introduced Parking Enforcement in 2000, when responsibility for enforcement of parking contraventions passed from Thames Valley Police to the Local Authority. The current legislation that allows for Reading to enforce parking and waiting restrictions is under The Traffic Management Act 2004. This also permitted local authorities to enforce restrictions by other methods which are now known as 'Civil Parking Enforcement'. Parking offences are classified as civil offences rather than criminal offences under Civil Parking Enforcement.

Reading Borough Council has an integrated Parking Service, which manages both on-street and off-street activities. The Council introduced Civil Parking Enforcement under Part 6 of the Traffic Management Act 2004 from 31st March 2008.

The current guiding transport policy document is its Local Transport Plan (LTP) 2011- 2026. The Local Transport Plan includes a 15-year strategy document and a rolling 3-year implementation programme. The LTP programme is reviewed annually to ensure the aims and objectives are being delivered. The statement below summarises the vision for transport in Reading:

“Transport in Reading will better connect people to the places that they want to go: easily, swiftly, safely, sustainably and in comfort. We will meet the challenges of a dynamic, low-carbon future to promote prosperity for Reading.

Whichever way you choose to travel, by foot or bicycle, motorcycle, bus, rail, car or boat whether to work or education, to leisure or the services you need, our transport system will help you get there”.

The Council is currently preparing a new LTP to set the strategy for 2020-36 and public consultation will be undertaken early next year.

Although it is not possible to specifically measure the contribution of Civil Parking Enforcement on all the objectives, as there are a wide range of other factors that influence them, it is clear that well considered and implemented enforcement will support this vision.

Chapter 3 - Parking Enforcement

Enforcement is conducted both on- and off-street by Reading Borough Council Parking Services through Civil Enforcement Officers employed through a contractor. Each officer receives specific training resulting in qualification which is:

- WAMITAB Level 2 Award for Parking Enforcement Officers (QCF) (Ofqual qualification number: 601/1781/3)

Civil Enforcement Officers are salaried and are not part of any incentive scheme. Their only enforcement requirement is to ensure that any Penalty Charge Notice is issued correctly and that all the supporting evidence (including photographs) is gathered and recorded.

The Traffic Management Act introduced regulations that allow for enforcement through an approved camera device in areas that are difficult or sensitive. In the autumn of 2012 the Council introduced an enforcement vehicle; it is used to enforce contraventions of waiting restrictions such as school zigzag markings, bus stop clearways and red routes. Enforcement with an approved device is not used where permits or exemptions (such as resident's permits or Blue Badges) may be in use. The primary objective of the camera enforcement system is to ensure the safe and efficient operation of the road network by deterring motorists from breaking road traffic restrictions and detecting those that do.

The Parking Services team at Reading Borough Council have completed/working towards their WAMITAB Level 3 Award in Notice Processing (QCF) (Ofqual qualification number: 601/1941/X). This qualification recognises the importance of back office staff, having the required skills, knowledge and detail when dealing with challenges, representation and appeals.

The Reading Borough Council Parking Services team have a duty to consider all aspects of a case. The Secretary of States guidance states that even when a clear contravention has occurred, the Council has discretionary power to cancel a Penalty Charge Notice, and this duty is adhered too - *“under general principles of public law, authorities have a duty to act fairly and proportionately and are encouraged to exercise discretion sensibly and reasonably and with due regard to the public interest”*. This exercise of discretion is approached objectively and without regard to any financial interest (in the penalty or decisions) that may have been taken at an earlier stage. However, discretion can be used to cancel or enforce a Penalty Charge Notice and some motorists who challenge their Penalty Charge Notice may not always receive the decision that they were looking for.

Penalty Charge Notices (PCNs)

Penalty Charge Notices are issued when people contravene the parking code. Penalty Charge Notice tickets can be categorised as higher or lower depending on the seriousness of the contravention. Higher level tickets for more serious breaches are £70 (e.g. parking on yellow lines) and lower level tickets for less serious breaches are £50 (e.g. parking with an expired permit or pay & display ticket).

Road markings (such as yellow lines, loading bays, bus stops and residents zones) indicate that some sort of restriction applies and signs nearby will always explain the parking restrictions. If these restrictions are breached, a contravention has occurred and a Penalty Charge Notice will be issued.

In the Council's public car parks Penalty Charge Notices may be issued if you fail to pay the correct amount at a pay and display ticket machine or for parking in a space for longer than you are permitted to. Also, if your car is reported to be causing a safety hazard, a source of congestion or an obstruction the Police may remove it. Drivers are responsible for making sure that their vehicles are parked correctly and not causing any obstructions. If vehicles are parked correctly they should not be issued with a Penalty Charge Notice.

Traffic Management Act 2004 Statutory Process - Direct Issue Process

The following process applies where the Civil Enforcement Officer has directly issued the Penalty Charge Notice to the vehicle or handed it to the driver. Please see section below for information about the process involved when the Penalty Charge Notice is sent by post.

Please refer to Chapter 5 for information about challenges, representations and appeals.

- After 14 days of the date of issue of the Penalty Charge Notice
 - The right to pay the discounted sum (£35/£25) after 14 days is lost. The 14 days starts with the date on which the Penalty Charge Notice was issued.
- After 28 days of the date of issue of the Penalty Charge Notice
 - If the charge is not paid 28 days from the date the Penalty Charge Notice was issued a Notice to Owner will be sent to the registered keeper of the vehicle.

- At this point you can either pay the full charge within 28 days (£70/£50) or make representation to Reading Borough Council.
 - Failure to act on the Notice to Owner may result in a Charge Certificate being issued.
- After 28 days of the date of issue of the Notice to Owner
 - A Charge Certificate may be sent to the registered keeper of the vehicle, notifying the keeper that the charge has been increased by 50% (£105/£75). If you receive a Charge Certificate you must pay within 14 days. There is no right to appeal at this stage.
- After 14 days of the date of issue of the Charge Certificate
 - If the Charge Certificate is not paid within 14 days, the debt may be registered at the Traffic Enforcement Centre and a registration fee of £8.00 will be added to the charge (£113/£83). An Order for Recovery will be sent to the registered keeper of the vehicle.
 - If you receive an Order for Recovery you must either pay the outstanding charge within 21 days or file a witness statement.
- After 21 days after the Debt Registration
 - If the charge has not been paid or a witness statement has not been made, the Traffic Enforcement Centre will grant authority for a Warrant to be issued and a certificated enforcement agent will be requested to recover the debt from you. The enforcement agent will charge you for this.

Traffic Management Act 2004 Statutory Process - Postal Issue Process

The following process applies where the Penalty Charge Notice has been issued by post. This occurs in circumstances where the Civil Enforcement Officer was prevented from issuing the Penalty Charge Notice at the time, or the vehicle drove away before affixing it to the vehicle/handing it to the driver. A Penalty Charge Notice may also be issued by post from an approved device i.e. a camera recording.

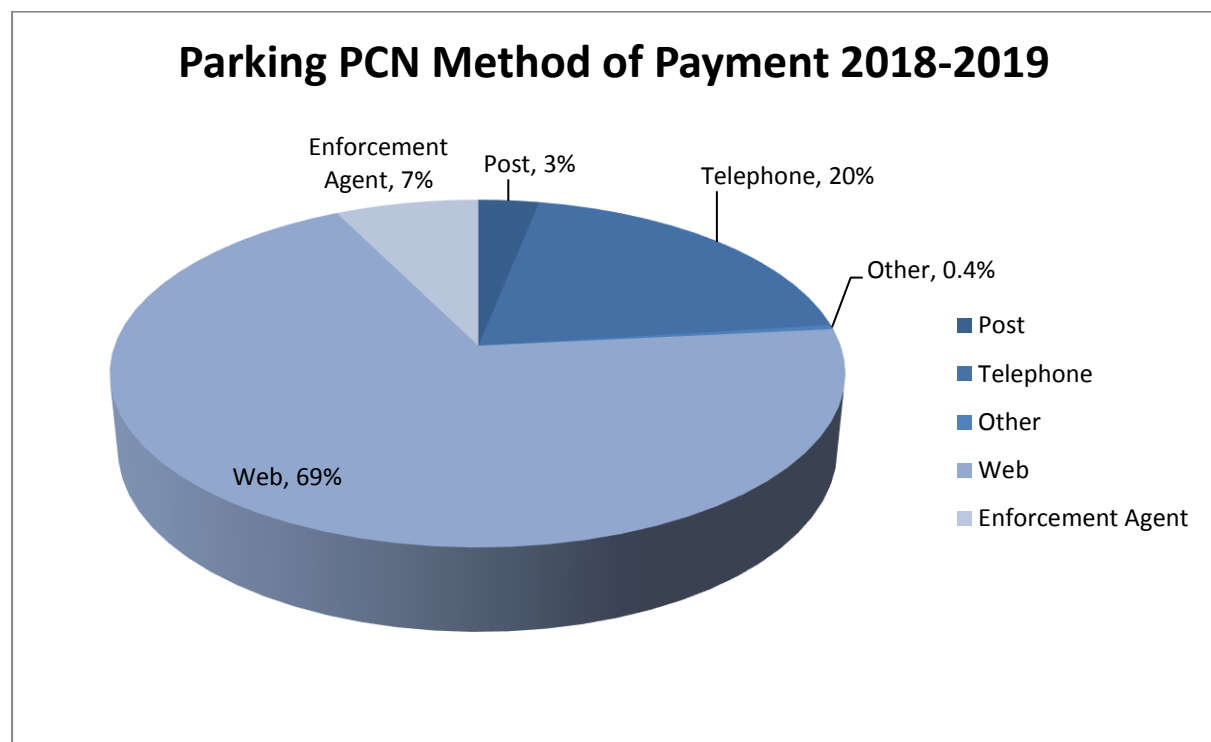

Please refer to Chapter 5 for information about challenges, representations and appeals.

- The Penalty Charge Notice will be sent to the registered keeper of the vehicle; at this point you can either:
 - Pay the discount within 14 days (£35/£25) or 21 days if the contravention was detected by an approved device.
 - If the discount is not paid in the 14/21 days, pay the full charge within 28 days (£70/£50).
 - Make representation to Reading Borough Council.
- After 28 days of the date of issue of the Penalty Charge Notice
 - A Charge Certificate may be sent to the registered keeper of the vehicle, notifying the keeper that the charge has been increased by 50% (£105/£75). If you receive a Charge Certificate you must pay within 14 days. There is no right to appeal at this stage.
- After 14 days of the date of issue of the Charge Certificate
 - If the Charge Certificate is not paid within 14 days, the debt may be registered at the Traffic Enforcement Centre and a registration fee of £8.00 will be added to the charge (£113/£83). An Order for Recovery will be sent to the registered keeper of the vehicle.
 - If you receive an Order for Recovery you must either pay the outstanding charge within 21 days or file a witness statement.
- After 21 days after the Debt Registration
 - If the charge has not been paid or a witness statement has not been made, the Traffic Enforcement Centre will grant authority for a Warrant to be issued and a certificated Enforcement Agent (formerly known as bailiffs) will be requested to recover the debt from you. The Enforcement Agent will charge you for this.

Paying a Penalty Charge Notice

Penalty Charge Notices can be paid either online, by post or by phone. Once payment has been made, the driver/owner/hirer has accepted liability for the penalty charge and can no longer make a challenge/representation against the Penalty Charge Notice. Reading Borough Council's interpretation of the relevant legislation (which is supported by the House of Commons Transport Committee) is that the recipient of a Penalty Charge Notice can pay the penalty or challenge the Penalty Charge Notice - it is not possible to do both.

The graph below shows the percentage of the different methods of payment used.

The table below shows the number of Penalty Charge Notices issued for 2018/2019¹. A copy of Penalty Charge Notices issued by ward, street and contravention code is provided in Appendix A.

Approved Device PCNs

The Council introduced an approved device (enforcement vehicle) for parking contraventions in 2012. From the 6th April 2015 a change in legislation has limited the use that Council may use approved devices for parking enforcement. The enforcement vehicle can only be used to enforce the following contraventions: school keep clear markings, bus stops/stands, red routes and bus lanes.

The total Parking PCNs issued from the approved device was 1,590. Please see Chapter 4 for Bus Lane Enforcement.

Contravention	Approved Device PCNs
School Keep Clear markings	191
Bus Stops/Stand	66
Red Route	1,333
TOTAL	1,590

The table below shows the streets with highest number of approved device PCNs issued:

STREETS WITH HIGHEST NUMBER OF APPROVED DEVICE PCNs ISSUED	
Location	Total Approved Device PCNs Issued
OXFORD ROAD	740
WOKINGHAM ROAD	209
SCHOOL ROAD	132
NORCOT ROAD	119

LONDON ROAD	81
WASHINGTON ROAD	52
CHURCH END LANE	45
A329 KINGS ROAD	13
SWANSEA ROAD	10

Red Route Enforcement

From the 7th March 2018 the Council introduced its first red route in Reading, along the 'Purple 17' bus route. It was introduced first along the East of Borough starting on the Kings Road, at its junction with the IDR, following the A329 corridor east, through Cemetery Junction and along the Wokingham Road. It ends near to the Three Tuns crossroads, on the borough boundary.

The second part of the red route was introduced on the West of the Borough starting on the Oxford Road, at its junction with Alfred Street heading along all the Oxford Road, onto Norcot Road, School Road and ending at Park Lane (at the junction with Mayfair).

A Red route is a 'no stopping' restriction which has been successfully used on major bus routes in London for many years. It helps keep key public transport moving, minimises delays for bus passengers and improves safety for pedestrians and cyclists by preventing dangerous or illegal parking.

Sample journey times from the route on the East and West side have been taken in 2018 and compared against 2019 journey times. The overall improvement was an average of 2 minutes.

Average Journey Time on Route 17	West Side Mar 2018	West Side Mar 2019	East Side Jan 2018	East Side Jan 2019
Minutes	27	25	21	20

The new Red Route restriction means where double red lines are marked, vehicles cannot stop at any time - Monday to Sunday - including for short periods of loading or unloading. Only disabled blue badge holders, Hackney Carriages (black cabs) and private hire vehicles licensed by Reading Borough Council are permitted to stop to allow for boarding and alighting. Emergency service vehicles will, of course, be permitted to stop on the Red Route

Enforcement is carried out by the Civil Enforcement Officers (direct issue) and the Council's enforcement (approved device) vehicle. The Council issued 52 warning notices when the red routes were first introduced.

Contravention	Approved Device PCNs	Direct Issue PCNs	Total
Red Route	1,333	369	1,702

Report Illegally Parked vehicles

The Council introduced an online facility for members of the public to report illegally parked vehicles and the number of requests received is shown below:

Period	Enforcement Requests Received	PCNs Issued
2017-2018	1,064	169
2018-2019	2,059	288

The Council is unable to issue any Penalty Charge Notices (PCNs) to vehicles that may be obstructing the highway e.g. blocking a driveway. This can be reported to the Police on the non-emergency number 101.

The table below shows the streets with highest number of PCNs issued:

STREETS WITH HIGHEST PENALTY CHARGE NOTICES (PCN) ISSUED

Chapter 4 - Bus Lane Enforcement

Reading Borough Council has more bus lanes per mile of road than anywhere else in the UK and a greater proportion of people travel by bus than in most other cities and towns in the UK. Reading Borough Council and its partners want to make public transport reliable and punctual. Bus lanes, when operating properly, help improve journey times, punctuality and reliability which may help make public transport a more attractive option and in turn relieve congestion.

When bus lanes are misused they are less effective, hence the need for effective enforcement. When people ignore bus lanes they can cause delays to public transport and increase the risk of accidents as other road users are unlikely to be aware of their presence.

In October 2005, powers were introduced under the Transport Act 2000 that made it possible for Reading Borough Council to enforce the regulations governing the use of bus lanes in the Borough. The Police may still take action against persons driving in bus lanes or ignoring road signs, however, Reading Borough Council's enforcement by approved device camera's has substantially increased the likelihood of those abusing bus lanes being caught out.

The penalty for being caught in a bus lane is a £60 Penalty Charge Notice. Cameras record vehicles using bus lanes and penalties are issued based on this information. Enforcement officers check the recordings to determine whether a contravention of the rules has taken place or if there may be other circumstances e.g. to avoid an accident. It is possible to make a representation against the Penalty Charge Notice within 28 days of it being issued.

Appendix B provides a breakdown of information per bus lane.

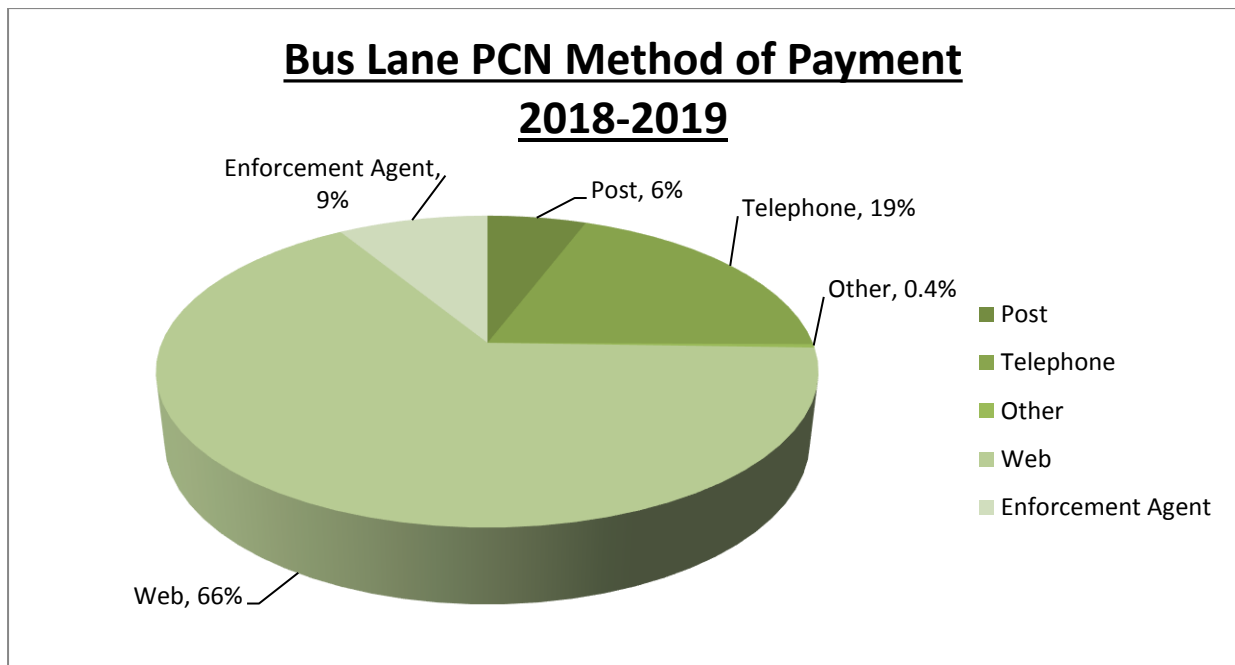

Transport Act 2000 Statutory Process

Please refer to Chapter 5 for information about challenges, representations and appeals.

- The Penalty Charge Notice will be sent to the registered keeper of the vehicle; at this point you can either:
 - Pay the discount within 14 days (£30).
 - If the discount is not paid in the 14 days, pay the full charge within 28 days (£60).
 - Make representation to Reading Borough Council.
- After 28 days of the date of issue of the Penalty Charge Notice
 - A Charge Certificate may be sent to the registered keeper of the vehicle, notifying the keeper that the charge has been increased by 50% (£90). If you receive a Charge Certificate you must pay within 14 days. There is no right to appeal at this stage.
- After 14 days of the date of issue of the Charge Certificate
 - If the Charge Certificate is not paid within 14 days, the debt will be registered at the Traffic Enforcement Centre and a registration fee of £8.00 will be added to the charge (£98). An Order for Recovery will be sent to the registered keeper of the vehicle.
 - If you receive an Order for Recovery you must either pay the outstanding charge within 21 days or file a statutory declaration.
- After 21 days after the Debt Registration
 - If the charge has not been paid or a statutory declaration has not been made, the Traffic Enforcement Centre will grant authority for a Warrant to be issued and a certificated Enforcement Agent (formerly known as bailiffs) will be requested to recover the debt from you. The Enforcement Agent will charge you for this.

Paying a Penalty Charge Notice

Penalty Charge Notices can be paid either online, by post or by phone. The graph below shows the percentage of the different methods of payment used for Penalty Charge Notices relating to bus lanes.

The table below shows the number of Penalty Charge Notices issued for entering bus lanes in 2018/2019². A copy of Penalty Charge Notices issued by street for entering bus lanes is provided in Appendix B.

Penalty Charge Notice Issued	2018/2019	Percentage of Total Issued	2017/2018	Percentage of Total Issued
Total Penalty Charge Notices Issued	71,693		96,250	
Number of Penalty Charge Notices paid	58,446	81%	75,651	79%
Number of Penalty Charge Notices paid at discount	51,365	71%	65,236	68%
Number of Penalty Charge Notices against which a formal representation was made	10,997	15%	13,561	14%
Number of Penalty Charge Notices cancelled as a result of a formal representation	2,276	3%	2,814	3%
Number of Penalty Charge Notices written off for other reasons	1,675	2%	1,095	1%

Appendix B provides a breakdown of the PCNs issued per bus lane and a comparison with the previous year's issue.

The overall number of PCNs issued has decreased by 25% compared to the previous year. There were no new bus lanes introduced in 2018-2019.

Chapter 5 - Challenges, Representations and Appeals

If a driver is issued a Parking Penalty Charge Notice, which they feel is unwarranted; they have the right to challenge the Penalty Charge Notice. This is done in 3 stages. The first stage is an informal challenge to Reading Borough Council which is followed up by the second stage which is a formal representation to the Council. If the representation to the Council is unsuccessful, the third stage is an appeal to the Traffic Penalty Tribunal. It should be noted that for Penalty Charge Notice issued by post (either parking or bus lane related) there is no informal challenge.

The Reading Borough Council Parking Services team will deal with each case on its own merits and will take into account the evidence recorded by the Civil Enforcement Officer and the information provided for a case. There are statutory time limits for dealing with representations and appeals, whereas guidance is provided for informal challenges. In all cases the Reading Borough Council Parking Services aim to deal with challenges, representation and appeals in an efficient, effective and impartial way.

Stage 1 - Making an Informal Challenge

Reading Borough Council Parking Services have a legal obligation to consider all informal challenges received. If an informal challenge is made within 14 days of the Penalty Charge Notice being issued, the discount period will be put on hold until the Council can deal with the challenge. A letter from the driver explaining the reasons why they feel they have grounds for an appeal should be made as soon as possible to the address given on the Penalty Charge Notice. The letter can be submitted by writing to the Council using surface mail or making a challenge by way of a secure website. A letter will be replied to if the challenge is upheld and the Penalty Charge Notice will be cancelled. If the challenge is not upheld, provided the challenge was made within 14 days of the Penalty Charge Notice being issued, a further 14 days to pay the Penalty Charge Notice at a discounted rate will be granted.

Stage 2 - Representations

A representation (under the Traffic Management Act 2004) can only be made upon receipt of a Notice to Owner, in cases where the PCN has been affixed to the vehicle or handed to the driver. The Notice to Owner will be sent to the registered keeper of the vehicle 28 days after the issue of the Penalty Charge Notice. Should a Penalty Charge Notice have already been paid the case is considered closed and no representation or appeal may be made. Once a Notice to Owner has been issued, the vehicle owner has 28 days to make a representation. The Council has a legal obligation to consider all representations received and must reply within 56 days of receiving the representation, if the Council does not reply in this time period, the Penalty Charge Notice is automatically cancelled.

Should a representation be unsuccessful the owner will be liable to pay the Penalty Charge Notice at the full rate. If the Council rejects the representation, an appeal may then be made to the Traffic Penalty Tribunal. Where a Penalty Charge Notice has been issued by post the registered keeper has 28 days to make a

representation to the Council. If those representations are made within the discount period, the Council will generally hold the discount and if the decision is made to reject the Penalty Charge Notice, this will be re-offered again. However, should an appeal be made to the Tribunal, the full charge would then apply, even if it is within the re-offered discount period. This process is set down by the Traffic Management Act 2004 (and accompanying regulations) for parking contraventions. The process is the same for bus lane contraventions issued under the Transport Act 2000, however, there is no informal challenge or time limit set for the Council to reply to a representation. These are the only ways to query a Penalty Charge Notice.

Complaints about the parking scheme itself should be made in writing to Reading Borough Council. General enquiries concerning parking issues may be made by telephone, however, Reading Borough Council cannot accept challenges or representations made by email or telephone.

The table below shows items of correspondence received in relation to informal challenges, parking and bus lane representations for 2018/2019³.

2018/2019	Informal Challenges	Incoming Parking Representations	Incoming Bus Lane Representations	Total

³ Please note that this data is that recorded on 1st October 2019. This data includes PCNs that have made multiple challenges and/or representations

The table below shows informal challenges and representations received compared to last year.

	Informal Challenges	Incoming Parking Representations	Incoming Bus Lane Representations	Total
Total 2017/2018	6,107	1,548	13,561	21,216
Total 2018/2019	5,847	2,132	10,997	18,976

The table below shows the other correspondence received and answered.

Under the relevant legislation the Council is not required to answer any correspondence once the representation period has ended i.e. when the Charge Certificate has been issued.

	Post Charge Certificate	Post Order For Recovery	Post Warrant	Paid*	Other	Total
Parking PCNs	277	72	65	66	177	657
Bus Lane PCNs	1,345	145	185	253	470	2,398
TOTAL	1,622	217	250	319	647	3,055

* The Council is issued guidance that makes it clear that a PCN is deemed 'paid' as soon as the payment arrives at any payment office belonging to the enforcement authority that issued the PCN. The enforcement authority should promptly close the case. Any correspondence received when a case has been paid will be responded too, but priority is always given to open cases.

Stage 3 - Appeal to the Traffic Penalty Tribunal

The Traffic Penalty Tribunal is a body independent of the Council. Adjudicators are people with at least five years legal experience who consider the evidence for appeals against Penalty Charge Notices issued by Local Authorities. Their decision is final and binding on both parties.

Should a Representation to the Council be unsuccessful a Notice of Appeal will be sent to the registered keeper which includes details of how to appeal online. A Traffic Penalty Tribunal appeal can only be made should a representation to the Council already have been rejected. When they receive a 'Notice of Appeal', the Traffic Penalty Tribunal staff will make some basic checks and if everything is in order it will be registered as a formal appeal. The registered keeper will receive acknowledgement of this and a date as to when the appeal is due to be decided. The Council will also be notified that the appeal has been lodged and will be given a date for which to submit their evidence to the Adjudicator. In the case of a personal appeal being asked for, the Traffic Penalty Tribunal staff will schedule it for the next appropriate hearing at the registered keepers preferred location and give 21 days notice of the precise date, time and venue.

The table below shows how many appeals were dealt with by the adjudicators⁴.

2018/2019	Parking Penalty Charge Notices	Percentage of Total PCNs Issued	Percentage of Appeals Received	Bus Lane PCN	Percentage of Total PCNs Issued	Percentage of Appeals Received

Consent Order means the Council and Appellant have reached an agreement over the appeal.

The table below shows the number of appeals received compared to previous years:

2018/2019	Parking PCN	Percentage of Total PCNs Issued	Bus Lane PCN	Percentage of Total PCNs Issued
Total Appeals Received 2015/2016	131	0.37%	264	0.27%

Total Appeals Received 2018/2019	94	0.19%	207	0.29%

The Council reviews all adjudicator decisions and through the feedback from them will try to ensure that unnecessary appeals are not registered. A fresh review of the case is made when an appeal is registered, regardless of the decision made at representation stage.

The annual report from the Traffic Penalty Tribunal on their service was not available at the time of this report. The Tribunal has moved their service to an online portal. This allows appellants to register, upload their evidence and track their appeal through the online service. Appellants can still chose to have their appeal decided by post, telephone or personal hearing and most chose the post or telephone option. The Council can upload their evidence, send messages to the Tribunal/Appellant which has improved the efficiency and the Adjudicators can decide on appeals quickly.

Chapter 6 - Enforcement Agents

If a PCN remains unpaid after the Council has issued their notices (Please see Chapter 3 and 4), a Warrant may be issued to the Enforcement Agents (formerly bailiffs) to recover the debt. The regulations and fees that the Enforcement Agents work under changed in April 2014.

Parliament introduced new legislative arrangements for Enforcement Agents in April 2014, when the relevant provisions of the Tribunals, Courts and Enforcement Act 2007 were brought into force. One of the changes that came into operation was a new, simplified, regime for fees payable to Enforcement Agents, at each stage in the recovery process, as set out in the Taking Control of Goods (Fees) Regulations 2014.

Regulations 4 and 5 allow the Enforcement Agents to recover the fees from the debtor and specify each stage of the process. Schedule 1 specifies the relevant fees, which are, as follows:

Stage	Fee	Information
Compliance Stage	£75	Notifying the debtor in writing, on receipt of the warrant, of the liability;
Enforcement Stage	£235	For attending the premises, if no payment is made within 7 clear days of the compliance stage notice. The Enforcement Agents can make a number of visits but only one charge is applied.
Sale/Disposal Stage	£110	For preparing to remove goods, removing goods, sale of goods

There may be additional charges if goods are removed such as storage, auction costs etc.

If there are multiple warrants issued, the compliance fee is charged per warrant but the enforcement and sale/disposal fee is normally only added onto the first warrant. There are exceptions to this and for further information please see below.

The Council expects Enforcement Agents, acting in respect of debts it (the Council) has registered, to handle enquiries or complaints about the fees those agents have charged. The Taking Control (Fees) Regulations 2014 provides for any disputes about the fees to be settled by a Court.

The table below shows the warrants issued to the Enforcement Agents in the past 8 years for Parking PCNs⁵.

Chapter 7 - Permits

Permit Parking Zones came to Reading in the mid 1970's with the intention to enable residents to park in streets that would have otherwise been occupied by shoppers or commuters parking in the town centre. As levels of car ownership and traffic patterns have developed, the zones have spread away from central Reading to other parts of the town affected by parking problems.

In 2011/2012, the parking permit service and the zoning system was updated with zones becoming larger and a better split between the number of permits being issued and the number of on-street parking spaces being made available. Changes to the permit scheme are made so it is vital people continue to check the signs and lines where they park

There are currently three main types of permits available, resident, visitor and business, however, temporary permits and other discretionary permits are also available.

The permit must be displayed in its registered vehicle at all times when the vehicle is parked in a permit bay. The permit should be displayed on the windscreen and be readable so that the information contained on it is legible. The information on the permit will contain; the vehicles registration, the permit zone, the expiry date, and the make of the vehicle.

A new online system was introduced on the 01 November 2017, which allows residents to manage their permit applications online. The table below shows the number of permits issued.

Permit Type	Total Issued 2018/2019	Percentage issued 2018/2019	1st Resident Permit/Free Visitor Permits	2nd Resident Permit/Charged Visitor Permits
Business	24	0.1%	N/A	N/A
Resident	9,380	34%	7,579	1,801
Visitor	12,996	47%	10,684	2,312
Temporary	3,219	12%	N/A	N/A
Discretionary	1,754	6%	N/A	N/A
GRAND TOTAL	27,373			

All other permit types are issued at the discretion of the Council. The Council must be satisfied that the same conditions apply for discretionary permits and there is no automatic right of renewal.

Resident Permits

Resident Parking Permits are provided in controlled parking areas for residents of Reading. Following an extensive consultation, parking zones were simplified and re-organised providing a longer and more flexible parking solution. Permits will run for 12 months from the date of issue and it is up to the user to renew a permit before it expires.

A maximum of two permits are available to be issued per household. To comply as a household the house or flat must; lie within a Permit Parking Zone, be registered for Council Tax, have appropriate planning permission, and not have a planning condition that prohibits the issue of permits. The first permit per household is £40 and the second is £150. It is down to the discretion of the home owner as to what name goes on which permit. When first applying for a permit, proof of residence and proof of car ownership will be required to be sent with the application. Once a permit has been granted, it can be renewed the following year online without the need for re-applying or supplying evidence.

Business Permits

Business Parking Permits are available to businesses that operate within a permit parking zone. The criteria to be eligible for a Business Parking Permit are; the staff and operators may not reside in the permit zone, the premises must have no associated off-street parking, and the staff for whom the permits are intended for should require regular and frequent use of their vehicles during the working day.

Businesses are eligible to apply for one permit per business with any further requests to be made as a discretionary application. When applying for a permit, the business must provide proof of address and proof of vehicle ownership. Business permit applications must be made by post.

Visitor Permits

Both residents and businesses within permit parking areas can offer visitor permits. All households in permit' parking zones are entitled to visitor permits. Visitor permits are scratch cards each for half days. They are issued in books of 20 permits. The first two books are free and a further five books are available at a cost of £25 per book. Proof of residence is required when applying for visitor permits. Businesses are able to purchase up to 100 visitor permits, Community Agencies are able to purchase an unlimited number of visitor permit. Like with the Residents' visitor permits, Business visitor permits are scratch cards for half a day and are also issued in books of 20 at £25 per book. Once the books have been granted, they can be renewed the following year, online without the need for re-applying or supplying evidence. Visitor Books cannot be renewed, if more than a year has passed since they were originally issued.

Temporary permits can be obtained through our online service and are issued as a “Print at Home” permit. Temporary permits are normally issued to residents who have just moved into the permit zone or have changed their vehicle. Temporary permit are issued for 8-weeks to allow time to submit full proofs. Temporary permit cover is not extended after the 8 week period as it is felt this is enough time to have obtained the full proofs required.

Discretionary Parking Permits

Reading Borough Council has recognised that there are those who, from time to time, may have business within the permit zones which, the Council may decide at its discretion as the Highway Authority to be legitimate reason to grant a permit. Other such permits that the Council issues include: Medical Practitioners, Healthcare Professional, Carer, Charity, Tradesperson, Teacher, Nanny and Other Resident/Business/Visitor Discretionary.

New Resident Permit Scheme Areas

Any new Resident Permit Parking schemes are only introduced with the support of the residents in the area. They are considered on an area basis, not street-by-street, to reduce the amount of displaced parking in nearby streets.

The Traffic Management Sub-Committee reports on requests for new Resident Permit Parking schemes. The scheme designs are built with Council Officer recommendations and public consultation feedback.

In October 2018 the Council extended Permit Zone 06R and added 11 streets which created an additional 420 parking spaces.

Chapter 8 - Blue Badges

Blue Badges provide a vital lifeline to over 2.5 million people every year allowing disabled people to access employment, shops and other services. Blue Badge fraud is a growing issue across the country. Abuse of the scheme means that priority spaces are unable to be used by those who need them most.

It is therefore vital that Reading Borough Council put measures in place to try and reduce the number of incidences of Blue Badge fraud.

Since the 1st January 2012, the Department for Transport (DfT) has introduced a new Blue Badge Improvement Service (BBIS) scheme which is intended to tackle this problem. The scheme comprises of a central nationwide database and a new assessment process to ensure badges only go to those who need them. The scheme will be managed nationally by Northgate Public Services.

The new Blue Badges nationally use security style inks and techniques making them almost impossible to reproduce, tamper with or amend. It is now an offence for anyone who is not the actual badge holder to use the Blue Badge, or to park in an on-street Blue Badge parking bay without displaying a badge.

If you suspect someone of committing Blue Badge fraud you can report to the Corporate Investigations Team in confidence (details in further information).

The Department for Transport has issued a booklet called 'The Blue Badge Scheme: Rights and Responsibilities in England'. This booklet explains to the holder of a Blue badge their responsibilities, places where they can and cannot park, and further travel advice. This also includes information on how to display the badge, where parking is for free and where time limits do/do not apply.

The table below shows the Blue Badges issued in 2018/2019 and total on issue as of 31st March 2019, compared with previous year.

National Fraud Initiative

The purpose the National Fraud Initiative is to recover those Blue Badges which should have been returned following a death. Reading Borough Council is part of this initiative. Following the national redesign of Blue Badges, it should make it easier for Local Authorities to both cross check and identify fraudulent badges.

The Civil Enforcement Officers have been working with the Council's Corporate Investigations team over the last couple of years and have been able to check the validity of the badges on display. Any badges that are invalid are referred to the Corporate Investigations team for further inspection.

Chapter 9 - Signs and Lines Maintenance

Reading Borough Council's Streetcare Services team deals with the maintenance of existing signs and lines. The Neighbourhood Officers (previously known as Highway Inspectors) carry out safety inspections and defects in lines or missing signs will be identified and any associated works ordered. The frequency of inspections varies depending on the road classification. Monthly inspections are carried out for A-class road, quarterly inspections for B- and C-class roads and unclassified roads annually.

Any other defects identified through observations or checks made by the Civil Enforcement Officers, Ward Councillors and members of the public are also actioned as appropriate.

In addition to signs and lines, the Neighbourhood Officers as part of their safety inspections will identify defects to direction signage, carriageways/footways/cycleways and gullies and order repair works as necessary. The Officers also undertake Night Scouts monthly to identify street lighting faults and order repair works.

There is also an annual resurfacing programme usually carried out during the summer which often affects lines. These will be replaced as soon as possible after surfacing work has been completed.

Snow will cover lines particularly on local residential roads where gritting does not take place. The parking restrictions remain in operation as set out in the appropriate Traffic Regulation Order.

On the principal roads and the main bus routes gritting is undertaken in accordance with the Winter Service Plan but the channel lines where road markings are will often remain covered until a thaw takes place.

A Penalty Charge Notice will only be issued where the Civil Enforcement Officer has checked that the lines and signs are in an acceptable condition. A motorist's attention should be drawn to the restriction when parking. The Council is unable to maintain the lines and signs in a perfect condition at all times, and it is recognised by the Traffic Penalty Tribunal that the lines and signs will over a period of time be subject to wear and tear.

Regulation 18 of the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996 states that: *'Where an order relating to any road has been made, the order making authority shall take such steps as are necessary to secure a) ... the placing on or near the road of such traffic signs in such positions as the order making authority may consider requisite for securing that adequate information as to the effect of the order is made available to persons using the road'*. The Council complies with this Order and will ensure that restrictions are clearly marked for motorists.

Chapter 10 - Car Parks

The current parking strategy is a core element of the Local Transport Plan. The parking strategy essentially aims to encourage short stay demand for central Reading whilst limiting the amount long stay/commuter parking around the town centre. A key feature of the strategy is pricing of central Reading parking to reflect peak demand on the roads and promote sustainable alternatives such as the long stay parking provided by park and ride.

Reading Borough Council now manages their own off-street car parks (since October 2018) and is seeking to improve and enhance the customer experience. We have already introduced improved payment options, automatic number plate recognition, an additional exit lane at Queens Road multi-story and carried out a deep clean. We will continue to invest in improving the customer experience whilst offering value for money.

Reading Borough Council reviews the tariff structure on an annual basis. Season tickets are available for Broad Street Mall, Queens Road, Cattle Market, Recreation, Dunstall Close and Chester Street car parks. Season tickets are available annually, 3 monthly and 1 monthly (except Dunstall Close and Chester Street which only offers annual permits).

The table below shows the spaces available in each car park.

Car Park	Spaces	Disabled Spaces	Total Spaces
Broad Street Mall	723	19	742
Queens Road	678	8	686
Hills Meadow	312	10	322
Civic B Car Park	176	4	180
Kings Meadow	77	1	78
Cattle Market	90	4	94
Chester Street, Caversham	83	3	86
Recreation Road, Tilehurst	82	4	86
Dunstall Close, Tilehurst	48	3	51
Total	2,269	56	2,325

Further Information

Further information can be found on the Council's website: www.reading.gov.uk

Chapter 11 - Pay and Display

Reading Borough Council introduced on-street pay and display in October 2010, this offered alternative short-term parking for the Town Centre. The bays are located across the town centre and around the Hospital/University area. The bays provide more flexible parking options for visitors.

There are now over 1,000 spaces spread across Reading:

Area	Number of Spaces
Town Centre Area	618
Hospital/University Area	460

The pay and display bays accept cash and cashless parking through telephone payment system (via the RingGo system). Below shows the divide between different payment methods

Payment Option	Percentage
Cash	55%
Pay By Phone	45%

Pay and display bays are an effective parking management tool that increases the turnover in spaces around the Town Centre and other local community facilities.

In line with the Department for Transport under 'The Blue Badge Scheme: Rights and Responsibilities in England', holders of the blue badges can park for free and without time limit in the pay and display bays. However, in the shared use bays it is only for free and without limit during the hours a pay and display ticket is required, outside of the hours a parking permit is required. (See Chapter 8 for further information)

Chapter 12 - Freedom of Information

The Freedom of Information Act came into effect in January 2005. This requires Reading Borough Council to provide information which is held available to the general public. The Freedom of Information Act requires that Reading Borough Council respond to requests within 20 working days. Reading Borough Council is only required to respond with information that is held - it does not require the Council to analyse the information.

The graph below shows the number of Freedom of Information requests on monthly basis received by the Reading Borough Council Parking Services team between 2015 and 2019. In 2018/2019, a total of 54 Freedom of Information requests were received by the Reading Borough Council Parking Services team.

The Reading Borough Council Parking Services team often receive the majority of Freedom of Information requests from motorists that have received a Penalty Charge Notice. Such requests are seeking to obtain information about Penalty Charge Notices issued in the same location. Whilst the team seek to respond to requests within 20 working days, there are some instances where the request has been too broad e.g. no date range, specific types of challenges, Penalty Charge Notices issued to non-Reading based motorists. Therefore, if a manual search of each Penalty Charge Notice is required, this can take between 30 seconds to 2 minutes to investigate. As Reading Borough Council hold thousands of records for the majority of requests made, it would exceed the 18 hour time limit for such a request making it exempt. The table below shows some of the most common Freedom of Information requests received.

Freedom of Information Request	Information

Chapter 13 - Financial Information

The Statutory Guidance states that for good governance, enforcement authorities need to forecast revenue in advance. Raising revenue should not be the objective of Civil Parking Enforcement, nor may the authority set targets for revenue or the number of Penalty Charge Notices issued.

The purpose of penalty charges is to deter motorists from contravening parking restrictions. Payments received (whether for on street or off street enforcement) must only be used in accordance with Section 55 (as amended) of the Road Traffic Regulation Act 1984. This Act limits the purposes to which a Local Authority may apply any surplus resulting from income derived from on-street parking spaces. This was however, amended by the Traffic Management Act and restrictions on Councils that do not require further off-street parking were relaxed to permit any surplus to be used for general transport measures and other purposes on which the Local Authority lawfully incurs expenditure.

Reading Borough Council has seen compliance with the parking and bus lane restrictions increase over the years.

In accordance with the Data Transparency Code, it should be noted that the surplus received has been used to fund measures including: concessionary bus passes on the Readibus service; on supported contract bus service provision and on other measures as defined in accordance with s55 of the Road Traffic Regulation Act as set out in the table below. In 2018/2019 this totalled £3.5m.

	£
Supported bus services	62,240
Discretionary concessionary fares	414,479
Adult Social Care in house transport	756,000
Road safety schemes & CCTV	549,148

Chapter 14 - Key Contacts and More Information

The process described in this report about challenging a PCN is set down by the Traffic Management Act 2004 or Transport Act 2000 (and accompanying regulations) and is the only way to query a Penalty Charge Notice. Complaints about the parking scheme itself should be made in writing to Reading Borough Council.

General enquiries concerning parking issues may be made by telephone, however Reading Borough Council cannot accept challenges or representations made by email or telephone.

There are specific postal addresses provided for motorists to query a Parking Penalty Charge Notice and a Bus Lane Penalty Charge Notice. These separate postal addresses ensure challenges/representations are assigned to the case file quickly and are dealt with promptly.

To Challenge a Parking Penalty Charge Notice the address is:

Reading Borough Council
